Hi Jennifer and Jenny,

Gene asked me to send you a couple of things. The first attachment is our funding application and the second attachment is the money that was allocated to each county. Please let me know if you have any questions. Thanks
Aaron

Just wanted to say thank you again for your time today. We appreciate your patience and your willingness to explain the State and local SSTS programs, and your efforts to identify and eliminate straight pipes. We will be in touch after digesting the reports and information you've sent as a result of our call.
