

Arconic (EPA ID PAD004393138)
Public Notice

DATE OF THIS NOTICE: May 16, 2017

PURPOSE OF THIS NOTICE: The U.S. Environmental Protection Agency (EPA) is announcing its proposed decision of no further environmental remediation is needed at Arconic (Facility)(EPA ID PAD004393138).

FACILITY DESCRIPTION: The Arconic facility is a 1642-acre parcel located in New Kensington, Westmoreland County, Pennsylvania. Arconic primarily does research and development at the Facility. The Facility was owned by Alcoa, Inc, until November 1, 2016.

INFORMATION AVAILABILITY: Information regarding EPA's proposed decision and the draft permit is available on EPA's website at <https://www.epa.gov/pa/epa-public-notice-pennsylvania>. The Administrative Record, which contains all the information considered in EPA's proposed decision, is available at U.S. EPA Region 3, 1650 Arch Street, Philadelphia, PA. 19103. Office hours are: Mon-Fri, 8:00 AM – 5:00 PM. For additional information, contact Ms. Catheryn Blankenbiller, Project Manager, at Mail Code: 3LC30, at EPA Region 3's address listed above; Phone: 215-814-3464; Fax: 215-814-3113, or Email: Blankenbiller.Catheryn@epa.gov.

COMMENT PROCESS: Persons wishing to comment on EPA's proposed decision must submit comments to EPA within the 30 day comment period ending June 15, 2017. Interested persons may also request a public hearing on this proposed remedy. All comments and/or requests for a hearing must be submitted in writing via mail, fax, or email to the EPA Project Manager, Ms. Catheryn Blankenbiller, as listed above, and must be received prior to June 15, 2017. All comments will be considered in making a final decision.

FINAL DECISION: EPA will make a final decision after considering all comments, consistent with applicable RCRA requirements and regulations. If the decision is substantially unchanged from the one in this notice, EPA will issue a final decision and inform all persons who submitted written comments or requested notice of EPA's final determination. If the final decision is significantly different from the one proposed, EPA will issue a public notice explaining the new decision and will reopen the comment period.
