

LMOP National Landfill Gas Energy Special Session

Proceedings Available Online

The U.S. EPA Landfill Methane Outreach Program (LMOP) is pleased to share the proceedings from its **National Landfill Gas Energy Special Session** with stakeholders. The Special Session was held on March 29, 2017 in Reno, Nevada.

The Special Session featured presentations on landfill gas (LFG) energy projects as well as current trends affecting LFG energy development and the solid waste management sector. You can access the [Special Session proceedings](#) on LMOP's website.

LMOP collaborated with the Solid Waste Association of North America (SWANA) to organize this panel in conjunction with SWANA's [40th Annual Landfill Gas and Biogas Symposium](#).

Sincerely,
The LMOP team
