9. If Respondent fails to pay the assessed civil administrative penalty specified in Paragraph 5 by the deadline specified in Paragraph 6, then Respondent shall pay to EPA a stipulated penalty of \$150 per day in addition to the assessed penalty. Stipulated penalties shall accrue until such time as the assessed penalty and all accrued stipulated penalties are paid and shall become due and payable upon written request by EPA. In addition, failure to pay the civil administrative penalty by the deadline specified in Paragraph 6 may lead to any or all of the following actions:

a. The debt being referred to a credit reporting agency, a collection agency, or to the Department of Justice for filing of a collection action in the appropriate United States District Court. 40 C.F.R. §§ 13.13, 13.14, and 13.33. In any such collection action, the validity, amount, and appropriateness of the assessed penalty and of this CAFO shall not be subject to review.

b. The debt being collected by administrative offset (i.e., the withholding of money payable by the United States to, or held by the United States for, a person to satisfy the debt the person In the Matter of Aloha Petroleum, Ltd.

owes the Government), which includes, but is not limited to, referral to the Internal Revenue Service for offset against income tax refunds. 40 C.F.R. Part 13, Subparts C and H.

c. In accordance with the Debt Collection Act of 1982 and 40 C.F.R. Part 13 interest, penalties charges, and administrative costs will be assessed against the outstanding amount that Respondent owes to EPA for Respondent's failure to pay the civil administrative penalty by the deadline specified in Paragraph 6. Interest will be assessed at an annual rate that is equal to the rate of current value of funds to the United States Treasury (i.e., the Treasury tax and loan account rate) as prescribed and published by the Secretary of the Treasury in the Federal Register and the Treasury Fiscal Requirements Manual Bulletins. 40 C.F.R. § 13.11(a)(1). Penalty charges will be assessed monthly at a rate of 6% per annum. 40 C.F.R. § 13.11(c). Administrative costs for handling and collecting Respondent's overdue debt will be based on either actual or average cost incurred, and will include both direct and indirect costs. 40 C.F.R. § 13.11(b). In addition, if this matter is referred to another department or agency (e.g., the Department of Justice, the Internal Revenue Service), that department or agency may assess its own administrative costs, in addition to EPA's administrative costs, for handling and collecting Respondent's overdue debt.

D. RETENTION OF RIGHTS

10. In accordance with 40 C.F.R. § 22.18(c), this CAFO only resolves Respondent's liability for federal civil penalties for the violations and facts specifically alleged in the Complaint. Nothing in this CAFO is intended to or shall be construed to resolve (i) any civil liability for violations of any provision of any federal, state, or local law, statute, regulation, rule, ordinance, or permit not specifically alleged in the Complaint; or (ii) any criminal liability. EPA specifically reserves any and all authorities, rights, and remedies available to it (including, but not limited to, injunctive or other equitable relief or criminal sanctions) to address any violation of this CAFO or any violation not specifically alleged in the Complaint.

In the Matter of Aloha Petroleum, Ltd.

11. This CAFO does not exempt, relieve, modify, or affect in any way Respondent's duty to comply with all applicable federal, state, and local laws, regulations, rules, ordinances, and permits.

F. ATTORNEYS' FEES AND COSTS

12. Each party shall bear its own attorneys' fees, costs, and disbursements incurred in this proceeding.

G. EFFECTIVE DATE

13. In accordance with 40 C.F.R. §§ 22.18(b)(3), 22.31(b) and 22.45(c), this CAFO shall be effective on the date that the final order contained in this CAFO, having been approved and issued by either the Regional Judicial Officer or Regional Administrator, is filed with the Regional Hearing Clerk.

H. BINDING EFFECT

14. The undersigned representative of Complainant and the undersigned representative of Respondent each certifies that he or she is fully authorized to enter into the terms and conditions of this CAFO and to bind the party he or she represents to this CAFO.
