Dear Ms. Banister:

As part of the Middle Georgia Clean Air Coalition's participation in the EPA Advance Program, I am happy to submit Middle Georgia's 2017 addendum to the Path Forward Letter. This letter details several significant steps we have taken throughout Middle Georgia to improve air quality. I am highly optimistic that through continued regional collaboration, we will continue to make great strides in improving our Middle Georgia environment.

If you have any questions or comments regarding our submittal, you may direct them to Ray Clark, MGCAC Special Consultant, at ray@rivercrossingstrategies.com, or to Greg Boike, MGCAC Project Manager at gboike@mg-rc.org. Thank you for your continued support of our tireless work throughout the Middle Georgia region.

Sincerely,

Daylon Martin
Chairman
