(3) In accordance with Sections 6.3(e) and 6.3(j) of the Pennsylvania Air Pollution Control Act (as amended) a two hundred fifty dollar ($250.00) annual operating permit administrative fee is required each year. This administrative fee is to be submitted thirty (30) days prior to the anniversary date of this operating permit; and is to be submitted with the attached transmittal form.

(4) This Operating Permit is valid for a limited time and may be renewed before its expiration. Requests for an Operating Permit Renewal must be in writing and must be accompanied by a permit fee in the amount of five hundred dollars ($500.00) payable to the "Commonwealth of Pennsylvania - Clean Air Fund" ($250.00 application processing fee and $250.00 annual administrative fee). The request should be made on an Interim Application for Renewal of a Permit to Operate form and must be received by the Department along with a completed Compliance History form no later than the first of the month in which the permit expires.

(5) This Operating Permit is issued for two (2) natural gas compressor engines, one (1) auxiliary generator and one (1) heating boiler.

(6) The two (2) natural gas compressor engines must meet presumptive RACT requirements of setting and maintaining 4° retard relative to standard timing.

(7) NO_x RACT for the two (2) natural gas compressor engines, one (1) auxiliary generator, and one (1) heating boiler shall be the maintenance and operation of the sources in accordance with to manufacturer's specifications. The sources shall also be operated and maintained in accordance with good air pollution control practices.

(8) The company shall maintain records in accordance with the recordkeeping requirements of 25 Pa. Code, Chapter 129.95.

(9) The expiration date shown on this RACT Operating Permit is for State purposes. For Federal Enforcement purposes the Operating Permit shall remain in effect as part of the State Implementation Plan (SIP) until replaced pursuant to 40 CFR 51 and approved by the U.S. Environmental Protection Agency (EPA). The Operating Permit shall become enforceable by the U.S. EPA upon its approval of the above as a revision to the SIP.
