

- In the *printed* copy of the FOM, there is no Appendix F (Reference Cards), so links to the appendix are broken (resulting in text that says “Error! Reference source not found”) and should refer to Appendix F. These links are not broken in the full copy. The broken links occur in the following locations:
 - Page 72, Section 3.5, last paragraph;
 - Page 73, Section 4.2.1, last sentence;
 - Page 81, Section 4.3, last sentence;
 - Page 83, Section 5.1, middle of 4th paragraph;
 - Page 138, Section 5.4, 2nd paragraph;
 - Page 143, Section 6.1, 3rd paragraph;
 - Page 174, Section 6.6.2.14, 4th bullet in first paragraph;
 - Page 175, Section 6.6.2.14, in #1 and #3 in the list area;
 - Page 193, Section 6.10, last sentence;
 - Page 200, Section 7.4, last sentence; and
 - Page 216, Section 8.6, last sentence.
- In the *printed* copy of the FOM, there is no Appendix E (Forms and Labels), so links to the appendix are broken (resulting in text that says “Error! Reference source not found”) and should refer to Appendix E. These links are not broken in the full copy. The broken links occur in the following locations:
 - Page 135, Section 5.3.5, beginning of 3rd paragraph and beginning of 7th paragraph.
- Page 81, Section 4.3, last sentence, the word ‘compiled’ is missing the ‘c’.
- Page 163, Section 6.6.2.4, #5, the last sentence should read “Take pictures ***with*** and without the flash...”.
- Page 179, Section 6.6.4.1.2, when discussing the collection of the bulk density samples from the soil pit, Step 8 reads that free water should be poured out of the sample bag. This is incorrect. For bulk density samples, water should ***not*** be poured out of the sample bag.
