

UNITED STATES ENVIRONMENTAL PROTECTION AGENCY

AGENCY DETERMINATION

UNDER THE
RESOURCE CONSERVATION AND RECOVERY ACT
AS AMENDED BY THE HAZARDOUS AND SOLID WASTE
AMENDMENTS OF 1984

Issued to: Avery Dennison - Fasson Roll Division

ID Number: PAD 053 227 752

Facility: 35 Penn-Am Drive, Quakertown, PA 18951

This Agency Determination is issued by the United States Environmental Protection Agency (EPA) under the authority of the Solid Waste Disposal Act as amended by the Resource Conservation and Recovery Act of 1976 (RCRA) and the Hazardous and Solid Waste Amendments of 1984 (HSWA), 42 U.S.C. § 6901 *et seq.*, to the Avery Dennison-Fasson Roll Division facility in Richland Township, PA. EPA has determined that no further corrective action is necessary at this time.

Although Avery Dennison-Fasson Roll Division does not require a permit from either the Pennsylvania Department of Environmental Protection or the EPA, EPA used the administrative procedures found in 40 C.F.R. Part 124, to provide public notice and solicit comment on EPA's proposed determination.

This determination completes the corrective action process under HSWA, at this time. Avery Dennison must continue to comply with all applicable parts of RCRA.

May 18, 2000
Date Signed

Maria Parisi Vickers,
Associate Division Director for RCRA
Waste and Chemical Management Division
