Re: Draft Federal RCRA Permit, Envirite of Illinois, Inc. (d/B/a EQ Illinois, Inc.)  
Harvey, Illinois, ILD 000 666 206

Dear Miss Thwing:

Enclosed is the draft Federal Resource Conservation and Recovery Act (RCRA) permit for Envirite of Illinois (d/B/a EQ Illinois, Inc.), Harvey, Illinois.

The draft Federal RCRA permit was public noticed in the Chicago Sun-Times and newspaper and local radio station WBBM am 720 on or about February 10, 2017. A copy of the draft Federal RCRA permit is available for review at the South Suburban College Library, 15800 S. State Street, South Holland. The public comment period lasts from February 08 to March 25, 2017.

During the public comment period, you or any interested party may submit comments to the U.S. Environmental Protection Agency on the draft Federal RCRA permit set forth above. At the close of the comment period, EPA will prepare a response to all significant comments. Comments on the draft Federal RCRA permit may be submitted to:

U.S. Environmental Protection Agency, Region 5  
RCRA Branch (LR-8J)  
77 West Jackson Boulevard  
Chicago, Illinois 60604

Attention: James Blough

Following review of any comments received on the draft federal RCRA permit, EPA will issue a final permit decision in accordance with the requirements of Title 40 of the Code of Federal Regulations (40 C.F.R.) Section 124.15.

If you have questions concerning the draft Federal RCRA permit, please contact James Blough, of my staff at (312) 886-2967.

Sincerely,

Gary J. Victorine, Chief  
RCRA Branch
