

**RESPONSE TO COMMENTS  
REGARDING  
THE FEDERAL RESOURCE CONSERVATION AND RECOVERY ACT (RCRA) PERMIT  
TO BE ISSUED TO FERMI NATIONAL ACCELERATOR LABORATORY.  
KIRK ROAD AND PINE STREET  
BATAVIA, ILLINOIS**

**INTRODUCTION**

This response is issued pursuant to Title 40 of the Code of Federal Regulations (40 CFR) Section 124.17, which requires that any changes of draft permit conditions be specified along with the reason for the change; that all significant comments be described and responded to; and that any documents cited in the response be included in the administrative record. Comments were requested regarding the United States Environmental Protection Agency's (U.S. EPA) tentative determination to reissue a RCRA permit to the Permittees.

The 45-day public comment period commenced on September 29, 2016, with a public notice in the Kane County Daily Herald newspaper on September 29, 2016 thru November 13, 2016. A announcement over a local radio station WBBM aired on or about September 29, 2016. A copy of the draft Federal RCRA permit was available for review at the U.S. EPA Region 5 office in Chicago and at Illinois EPA office in Springfield. No written comments on the draft Federal permit were received.

Additionally, pertinent information and materials were available at the Batavia Public Library, 10 South Batavia Avenue, Batavia, Illinois.

**RESPONSE TO COMMENTS**

No written comments on the draft Federal permit were received.

**CHANGES TO THE DRAFT PERMIT**

(Note: All page numbers are referred to the draft federal permit.)

1. "Draft" and "*Draft September, 2016*" in the header were deleted from the draft permit, because such references are not needed in the final Federal permit.
2. No other changes were made to the permit.

**DETERMINATION**

Based on a full review of all relevant data provided to the U.S. EPA, the U.S. EPA has determined that the final permit contains such terms and conditions necessary to protect human health and the environment.
