Dear Mr. Fogle:

Enclosed is a copy of the final federal Resource Conservation and Recovery Act (RCRA) permit, for Lafarge North America, Paulding, Ohio. Unless review is requested under 40 C.F.R. § 124.19, the federal permit will become effective on the date which is indicated on the title page of the enclosed federal RCRA permit.

The draft federal RCRA permit was publicly noticed in the “The Crescent-News” and announced on the “WOWO 1190 AM” radio station on August 16, 2010. A copy of the draft federal RCRA permit was available for review at the Paulding County Carnegie Library, 205 South Main St., Paulding, Ohio. The public comment period extended from August 16 to September 30, 2010.

Lafarge North America and a local citizen submitted the only comments that United States Environmental Protection Agency received on the draft federal RCRA permit during the public comment period. EPA’s Response Summary to the comments is enclosed with this letter.

Eligibility to appeal the federal permit is discussed further in 40 C.F.R. § 124.19. All original documents are to be signed in blue ink with five copies marked as such.
