

As many of you are aware, annual funding for the government expires at midnight.

At this time EPA has sufficient resources to remain open for a limited amount of time in the event of a government shutdown. All EPA employees should follow their normal work schedule for the week of January 22, 2018.

Should the shutdown occur and remain in place through January 26, 2018, we will provide further updates on the agency's operating status. In addition, all travel needs to be approved by the Administrator's Office.

Thank you for your hard work, dedication, and patience through this process, and for all that you do for the EPA and the American people.
