

Public Notice

The United States Environmental Protection Agency (U.S. EPA) hereby gives notice of proposed permit decisions under the Resource Conservation and Recovery Act (RCRA) to Envirite of Ohio, 2050 Central Avenue, SE, Canton, Ohio. The proposed U.S. EPA permit is in conjunction with the RCRA permit issued by the Ohio Environmental Protection Agency (Ohio EPA) and covers those regulations under RCRA that the Ohio EPA is not yet authorized to implement. It requires control of air emissions from the management of hazardous wastes in tanks and containers and includes 8 listed hazardous wastes.

The U.S. EPA determined that the company's application for a RCRA permit complies with the applicable RCRA regulations, and the permit can be issued. Documents relevant to the proposed permit are available for review at the following locations:

Starke County Public Library
715 Market Avenue North
Canton, Ohio 44702
(330) 452-0665

U.S. EPA Records Center 7th floor

During the public comment period, a hearing on the company's proposed permit may be requested by submitting a written request to Mr. Gaitskill at the address above. If the U.S. EPA schedules a public meeting or hearing, it will publish a notice of the time and place in this newspaper and broadcast the information on a local radio station. The U.S. EPA will make reasonable accommodations, including preparing documents in an alternative format, upon request, for qualified persons with disabilities.

After the close of the public comment period, the U.S. EPA will review all timely comments and make a final permit decision. Each person who submitted written comments will receive notice of the U.S. EPA's final determination and a formal response to significant comments.
