# Invitation to Present to Work Group

- The Work Group's short- and long-term recommendations were presented to the Mobile Sources Technical Review Subcommittee in May. This presentation can be viewed here: <https://www.epa.gov/sites/production/files/2017-06/documents/053120217-barth.pdf>
- We want to continue these Work Group meetings and, in addition to the EPA presentations, we invite outside presentations that would help shape MOVES long-term development.
  - Process:
    - Submit one-page requests for presentations. Requests should include a title, abstract, results, and significance for MOVES development
    - Submit to Sarah Roberts ([Roberts.Sarah@epa.gov](mailto:Roberts.Sarah@epa.gov))
    - Requests will be prioritized by MOVES Workgroup Co-Chairs
