Dear Dr. Barasso and Mr. Carper:

The signatories to this letter, the current Chair, and many former Chairs of the American Bar Association's Section of Environment, Energy, and Resources (SEER), are pleased to offer their support for the consideration of Peter C. Wright as Assistant Administrator of the U.S. Environmental Protection Agency's (EPA) Office of Land and Emergency Management (OLEM). Peter has been a friend, colleague, inspiring leader, and faithful supporter of SEER for many years. Peter's leadership skills, expansive subject matter expertise in OLEM-related areas, impeccable character, and personal integrity will ensure his success as Assistant Administrator of OLEM.

SEER is the premier forum for environment, energy, and natural resource lawyers. Our 10,000 plus members share their expertise, leadership, and vision for the future by collaborating on [educational programs](#), [public service outreach](#), and a [vast array of publications](#) on topics relevant to our members and the broader legal and lay communities interested in these topics.

Peter has been a SEER member for many years and has served in countless leadership positions. Peter's calm, deliberate, and comforting style, his expansive substantive knowledge of the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA), the Resource Conservation and Recovery Act (RCRA), and related land management legal and regulatory systems and programs, as well as his personal integrity and honor have earned the respect

We enthusiastically and without reservation support the consideration of Peter as Assistant Administrator for OLEM, and believe Peter will serve the office with distinction and honor.

Sincerely,
