The agency will not issue the FY 2019 Addenda to the FY 2018-2019 National Program Manager Guidances. This decision was made in consultation with the U.S. Environmental Protection Agency-State NPM/National Environmental Performance Partnership System Workgroup.

The schedule for developing FY 2019 annual operational measures and commitments will be provided at a later date and will be available on the EPA's NPM Guidance website at <https://www.epa.gov/planandbudget/national-program-manager-guidances>. In addition, during the summer and fall of 2018, the NPMs and regions will begin early engagement with states and tribes on the FY 2020-2021 NPM Guidances.
