

BASIS OF DECISION
Final Permit Issuance for
Enterprise Field Services LLC.
Lindrith Compressor Station
Permit R6NSR-NM-005

March, 7, 2018

The final permit R6NSR-NM-005 for the Lindrith Compressor Station, Enterprise Field Services LLC., is being issued pursuant to 40 CFR § 49.159(a)(3) and will be effective immediately upon issuance. Concurrently the permit on the rescission of the Lindrith's PSD R6-NM-1644-M1 will be public noticed and will be effective immediately.

The draft permit was public noticed pursuant to 40 CFR § 49.157. No public comments were received and no public hearing was requested. The serial numbers for the compressor engines in the permit were changed for "typo" errors for the Serial Numbers in Section II, Equipment List.

In accordance with 40 CFR § 49.157(b)(ii)-(iii), the adjacent tribal nations, [Jicarilla Apache Nation, Southern Ute tribal nation, Pueblo of Jemez, Navajo Nation] and the Directors of New Mexico Environmental Department, State Historic Preservation Office, and U.S. Fish and Wildlife Service will be notified on the issuance of the final permit.

All records pertaining to this permit is available on the website at: <https://www.epa.gov/caa-permitting/tribal-nsr-permits-epas-south-central-region>

On issuance of the final permit, EPA will post the public notice on the issuance at www.epa.gov/publicnotices
