

FACT SHEET

for proposed modification of the Pretreatment Program as referenced in the National Pollutant Discharge Elimination System (NPDES) Permit No NM0020311.

The issuing office is: U.S. Environmental Protection Agency
Region 6
1445 Ross Avenue
Dallas, Texas 75202-2733

The permittee is: City of Roswell
P.O. Box 1838
Roswell, NM 88202-1838

1. The following is a description of the proposed modification:

The applicant has submitted a request for approval of modifications to the City's Pretreatment Program. This modification includes changes made to the development of technically based local limits for pollutant discharges to the City of Roswell Sewerage System.

2. The following is a chronology of submittals for the request to modify the pretreatment program:

Original Submittal Dated: May 21, 2017 Received: May 26, 2017

Determined Approvable and
Entire Package of
Finalized Modification

Documents Requested: July 12, 2017

Received: January 30, 2018

3. Upon publication of the public notice and this fact sheet, a public comment period shall begin and last for 30 days thereafter. During this period, any interested persons may submit written comments on the proposed pretreatment program modification and may request a public hearing to clarify issues involved in the pretreatment program modification decision. A request for a public hearing shall be in writing and shall state the nature of the issues proposed to be raised in the hearing.
