

Community Update #72 Pompton Lakes Study Area Pompton Lakes, New Jersey

Pompton Lake Dredging

Community Update

March 2018

EPA CLEANUP ACTIVITIES

Basic Site Information—2018

The scope of work in 2018 involves placement of the eco-layer in the Island Area and the ABD as well as site restoration. Hydraulic dredging, processing and off-site disposal of sediment containing mainly mercury and lead in a 36-acre area within Pompton Lake called the Acid Brook Delta (ABD) is complete. The work will be performed by The Chemours Company FC, LLC., through its contractor, Sevenson Environmental Services with EPA/NJDEP oversight.

EPA's 72nd update is to inform the community of the progress of activities related to the dredging performed on the 36-acre portion of the Pompton Lake Study Area known as the Acid Brook Delta (ABD). *EPA is resuming the use of this format for providing a status update as the level of activity for this season's work is about to increase.*

Activities performed (week of March 12th):

- ◆ Continued demobilization/disassembly of equipment.
- ◆ Continued mobilization of equipment associated with the next phase of work—ecological layer placement.
- ◆ Turbidity/dust/mercury monitoring completed— data on website: (www.pomptonlakesworks.com/pompton-lake-project/environmental-monitoring).

Activities scheduled (week of March 19th):

- ◆ Complete demobilization/disassembly of equipment.
- ◆ Complete mobilization of equipment and materials to initiate placement of ecological layer.
- ◆ Continue routine inspection of site work areas per approved permits and for safety purposes.

Note:

HYDRAULIC AND MECHANICAL DREDGING ARE COMPLETE.

THIS PHASE OF WORK IS “CLEAN” WORK MEANING THAT THE PLACEMENT OF THE ECOLOGICAL LAYER AND SITE RESTORATION DO NOT INVOLVE THE HANDLING OR TRANSPORT OF CONTAMINATED SEDIMENT.

THERE WILL BE INCREASED TRUCK TRAFFIC DURING THIS PHASE DUE TO THE DELIVERY OF ECOLOGICAL MATERIAL (i.e. SAND). TRAFFIC CONTROLS WILL BE IN PLACE.

EPA WILL CONTINUE ITS PRESENCE AT BOROUGH HALL ON THURSDAYS FROM 10AM UNTIL 4PM. ALTERNATIVELY, DO NOT HESITATE TO CONTACT US USING THE CONTACT INFORMATION INCLUDED IN THIS COMMUNITY UPDATE.
