Pesticide Registration Service Fees

Partnership Grants

In FIFRA Section 33(c)(3)(B)(ii), PRIA 3 provides for a \$500,000 set-aside for partnership grants for each fiscal year from FY'13 through FY'17. \$500,000 of PRIA funds was allocated to support the National Pesticide Information Center in FY'17 to provide objective, science-based information about pesticides to the public. [Table 2](#) in Appendix A summarizes this program's accomplishments initiated under PRIA 3.
