Greetings,

Please see the attached materials for the August 3, 2017 stakeholder meeting at the PADEP Southeast Regional Office in Norristown, PA. The first attachment is the agenda for the meeting. The second attachment is a draft report for your review called "Preliminary Draft TMDL for Sediment in the Indian Creek Watershed, Montgomery County, PA – Existing Loads." This preliminary draft report describes the existing sediment loads in the Indian Creek watershed and will be discussed at the August 3, 2017 stakeholder meeting. We are requesting feedback and comments on this preliminary draft report by August 28, 2017.

We look forward to meeting with you on Thursday. Thanks, Jen

Subject: Indian Creek Stakeholder Meeting to Discuss Existing Sediment Loads

Greetings,

I'd like to take this opportunity to schedule a meeting with all Indian Creek Watershed stakeholders to provide an update regarding the Indian Creek Sediment Allocations Project. EPA plans to determine the existing sediment loads and sediment allocations to attain water quality standards in the Indian Creek watershed located in Montgomery County, PA. The purpose of this meeting is to present the new existing sediment loads, start a discussion on possible allocation scenarios and offer stakeholders a chance to provide feedback and ask questions. PADEP has graciously offered the use of their conference rooms at the Southeast Regional Office in Norristown, PA. EPA has tentatively identified several dates for this potential stakeholder meeting. Please use the following Doodle Poll link to provide your

availability for these tentative dates. We would appreciate feedback regarding your availability on these dates. Once a meeting date has been set, we will send out an agenda and materials.

<http://doodle.com/poll/i2bee3gc797x79hx>

Please let me know if there are any questions or if you need additional information. Please also forward this information to other interested stakeholders or let me know if you should no longer be on the stakeholder list. Thank you for your time and consideration.

Sincerely,

Jennifer Sincock
