NPDES authorization to discharge to waters of the United States, Permit No. NM0028088

The applicant's mailing address is:

Glorieta Camps
P.O. Box 8
Glorieta, NM 87535

As described in the application, the facility (Latitude 35° 34' 43" N and Longitude 105° 40' 40.1" W) is located at 11 State Road 50, city of Glorieta, Santa Fe County, New Mexico. The applicant operates a privately owned WWTP (POTW-like) under the SIC code 4952. The facility has a design flow capacity of 0.40 MGD providing sanitary services for the conference center, including food service, and Glorieta Village with approximately 40 people. There is no industrial flow connecting to this facility.

This is a renewal of a permit issued on June 14, 2013 with an effective date of August 1, 2013 and an expiration date of July 31, 2018. The following are the changes from the previous permit:

- Measurement frequency of O&G has been reduced from two per month to semi-annual based on effluent data submitted in DMRs.
- Added SSM and Net-DMR as required by the NPDES electronic reporting rule.

A fact sheet is available for review.

State Certification:

This notice also serves as Public Notice of the intent of the New Mexico Environment Department, Surface Water Quality Bureau to consider issuing Clean Water Act (CWA) Section 401 Certification. The purpose of such certification is to reasonably ensure that the permitted activities will be conducted in a manner that will comply with applicable New Mexico water quality standards, including the anti-degradation policy, and the statewide water quality management plan. The NPDES permit will not be issued until the certification requirements of Section 401 have been met.

If you want to comment on State Certification submit written comments within the 30-day period to:
