

NPDES authorization to discharge to waters of the United States, Permit No. NM0030864

The applicant's mailing address is:

Sierra County Regional WWTP-North Area
P.O. Box 1080
Elephant Butte, NM 87935

The discharge from this facility is located at 1001 Sunset Ridge Road, Sierra County, New Mexico. Under the SIC code 4952, the applicant operates a publicly owned WWTP. The facility has a design flow capacity of 0.6 MGD providing sanitary services for approximately 1,000 residents. The discharge from the facility is to Cuchillo Negro Creek (20.6.4.98 NMAC), Rio Grande River Basin. Designated uses of the receiving water(s) are livestock watering, wildlife habitat, marginal warmwater aquatic life and primary contact.

This is a renewal of a permit issued on August 28, 2013, with an effective date of October 1, 2013, and an expiration date of September 30, 2018.

Changes from the previous permit are:

- Discharge Monitoring Report (DMR) results shall be electronically reported to EPA per 40 CFR 127.16.

A fact sheet is available.

State Certification

This Notice also serves as Public Notice of the intent of the New Mexico Environment Department, Surface Water Quality Bureau to consider issuing Clean Water Act (CWA) Section 401 Certification. The purpose of such certification is to reasonably ensure that the permitted activities will be conducted in a manner that will comply with applicable New Mexico water quality standards, including the antidegradation policy, and the statewide water quality management plan. The NPDES permit will not be issued until the certification requirements of Section 401 have been met.

If you want to comment on State Certification submit written comments within the 30-day period to:
