Governing Law

10. This proceeding arises under MARPOL Annex VI as implemented in the United States through the APPS, 33 U.S.C. § 1901 *et seq.*, and the regulations promulgated thereunder in 40 C.F.R. Part 1043. *See* International Convention for the Prevention of Pollution from Ships Annex VI, Reg. 1(1), Nov. 2, 1972, 12 ILM 1319 (hereinafter MARPOL). These laws aim to reduce air pollution from ships, including emissions of sulfur oxides, oxides of nitrogen, and particulate matter. What follows is a summary of the law that governs these allegations.
11. General definitions:
 - (a) “MARPOL Protocol” means the Protocol of 1978 relating to the International Convention for the Prevention of Pollution from Ships, 1973, and includes the Convention. 33 U.S.C. § 1901(a)(4).
 - (b) “Convention” means the International Convention for the Prevention of Pollution from Ships, 1973, including Protocols I and II and Annexes I, II, V and VI thereto, including any modification or amendments to the Convention, Protocols, or Annexes which have entered into force for the United States. 33 U.S.C. § 1901(a)(5).
 - (c) “Annex VI” means Annex VI of the MARPOL Protocol. MARPOL Annex VI, Reg. 2.1.
 - (d) “Operator” means, in the case of a ship, a charterer by demise, or any other person, except the owner, who is responsible for the operation, manning, victualing and supplying of the ship. 33 U.S.C. § 1901(a)(9)(a).

- (e) “Owner” means any person holding title to, or any other indicia of ownership of, a ship, but does not include a person who, without participating in the management or operation of a ship, holds indicia of ownership primarily to protect a security interest in the ship. 33 U.S.C. § 1901(a)(8).
- (f) A “person” includes any individual, firm, public or private corporation, partnership, association, State, municipality, commission, political subdivision of a State, or any interstate body. 33 U.S.C. § 1901(a)(10).
- (g) A “ship” means a vessel of any type whatsoever, including hydrofoils, air-cushion vehicles, submersibles, floating craft whether self-propelled or not, and fixed or floating platforms. 33 U.S.C. § 1901(a)(12); *see also*, Convention Article 2(4).
- (h) A “vessel” means a “ship” as defined in APPS.
- (i) “Administrator” means the Administrator of the Environmental Protection Agency. 33 U.S.C. § 1901(a)(1).
- (j) “Secretary” means the Secretary of the department in which the United States Coast Guard is operating. 33 U.S.C. § 1901(a)(11).
- (k) “Fuel oil” means any fuel delivered to and intended for combustion purposes for propulsion or operation on board a ship, including distillate and residual fuels. MARPOL Annex VI, Reg. 2.9.
- (l) “Emission Control Area” or ECA means an area where the adoption of special mandatory measures for emissions from ships is required to prevent, reduce and control air pollution from NO_x, SO_x, and particulate matter, or all three types of emissions, and their attendant adverse impacts on human health and

the environment. ECAs include those listed in, or designated under regulations 13 and 14 of Annex VI. MARPOL Annex VI, Reg. 2.8; *see also*, 40 C.F.R. § 1043.20 (July 2012) (stating an Emission Control Area is an area designated pursuant to Annex VI as an Emission Control Area that (1) is in force; and (2) includes waters of the U.S. territorial sea and /or the U.S. Exclusive Economic Zone (U.S. EEZ) (as defined in Presidential Proclamation 5030 of March 10, 1983)).

12. The United States deposited with the IMO its instrument of ratification for Annex VI on October 8, 2008, and therefore the United States is a party to Annex VI. *See* IMO Status of Convention documents (available at <http://www.imo.org/About/Conventions/StatusOfConventions/Pages/Default.aspx>).
13. The North American Emission Control Area was established through an amendment to Annex VI and entered into force for the United States on August 1, 2011, and became enforceable on August 1, 2012. *Information on North American Emission Control Area (ECA) Under MARPOL Annex*, MEPC.1/Circ.723 (May 13, 2010) available at <http://www.epa.gov/otaq/regs/nonroad/marine/ci/mepc1-circ-re-na-eca.pdf>. The specific geographic coordinates that comprise the North American ECA are listed in MARPOL Annex VI, Appendix VII.
14. The sulfur content of fuel oil used on board ships operating within the North American ECA may not exceed 1.00% by mass (m/m) on or after August 1, 2012, and 0.10% m/m on or after January 1, 2015. MARPOL Annex VI, Reg. 14.4.

15. The APPS implements the requirements of MARPOL Annex VI and amendments to MARPOL Annex VI which have entered into force for the United States. 33 U.S.C. §§ 1901(a)(4)-(a)(5), 1902.
16. A ship that is not of United States registry or nationality is subject to the APPS while in the navigable waters or the exclusive economic zone of the United States. 33 U.S.C. § 1902(a)(5); (*see also* 40 C.F.R. § 1043.10(b)(1) (July 2012) (explaining how the requirements of 40 C.F.R. Part 1043 apply to foreign-flagged ships operating in U.S. navigable waters or the U.S. Exclusive Economic Zone).
17. Pursuant to the APPS, it is unlawful to act in violation of the MARPOL Protocol, including Annex VI, the APPS, or the regulations issued thereunder. 33 U.S.C. § 1907(a).
18. The APPS applies “to all persons to the extent necessary to ensure compliance with Annex VI to the Convention.” 33 U.S.C. § 1902(c).
19. A person who is found to have violated the MARPOL Protocol, the APPS, or the regulations promulgated thereunder, shall be liable to the United States for a civil penalty not to exceed \$25,000 for each violation. 33 U.S.C. § 1908(b)(1).
20. Each day of a continuing violation shall constitute a separate violation. 33 U.S.C. § 1908(b).
21. The EPA has the authority to administratively assess civil penalties, and to compromise, modify, or remit, with or without conditions, any civil penalty which is subject to assessment under section 1908 of the APPS. 33 U.S.C. §§ 1908(b), (c).

Alleged Facts and Violations of Law

22. On or about October 7, 2013, the ship Lady Maria Luisa, IMO Number 9427031, (Lady Maria Luisa) entered into the North American ECA and the U.S EEZ in transit to the port of Baltimore using fuel oil with a sulfur content of 3.0% m/m.
23. At the time of entry into the North American ECA and U.S EEZ, the Lady Maria Luisa was flagged in the Republic of Panama.
24. The Lady Maria Luisa continued to operate in the North American ECA and the U.S. EEZ using fuel oil with a sulfur content of 3.0% m/m until approximately October 9, 2013.
25. A separate violation of the APPS occurred for each of the three days the Lady Maria Luisa operated in the North American ECA and the U.S. EEZ while using fuel oil that exceeded the 1.00% m/m limit. 33 U.S.C. §§ 1907(a), 1908(b); MARPOL Annex VI, Reg. 14.4.
26. At the time of entry into the North American ECA and U.S EEZ, Green Spanker Shipping S.A., IMO Number: 0643691, (Green Spanker) was the “Owner” of the Lady Maria Luisa, and Philsynergy Maritime Inc., IMO Number: 5371354, (Philsynergy Maritime) was the “Operator” of the Lady Maria Luisa, as those terms are defined under section 1901 of the APPS.
27. On information and belief, Green Spanker is a corporation organized under the laws of Japan, and Philsynergy is a corporation organized under the laws of the Republic of the Philippines, and thus both are “Persons” as defined in section 1901 of the APPS.
28. As the Owner and Operator of the Lady Maria Luisa, Green Spanker and Philsynergy were responsible for the management and operation of the ship both at the time of entry

into, and during operation in, the North American ECA and U.S. EEZ, and as Persons under the APPS, each is liable under 1908(b) of APPS for the operation of the ship in violation of the MARPOL Annex VI Regulation 14 fuel sulfur requirement. 33 U.S.C. §§ 1901(a), 1902(c), 1907(a), 1908(b).

Effect of Consent Agreement and Attached Final Order

35. In accordance with 40 C.F.R. § 22.18(c), completion of the terms of this Consent Agreement and Final Order resolves only Respondents' liability for federal civil penalties for the violations and facts specifically alleged above.
36. Failure to pay the full amount of the penalty assessed under this Consent Agreement may subject Respondents to a civil action to collect any unpaid portion of the proposed Civil Penalty and interest. In order to avoid the assessment of interest, administrative costs, and late payment penalty in connection with such Civil Penalty, as described in the following paragraph of this Consent Agreement, Respondents must timely pay the penalty.

37. If Respondents fail to timely pay any portion of the penalty assessed under this Agreement, the EPA may take one or more of the following actions:
- (a) request the Attorney General to bring a civil action in an appropriate district court to recover the amount assessed, 33 U.S.C. § 1908(c);
 - (b) commence an *in rem* action against the ship, 33 U.S.C. § 1908(d);

 - (d) collect the debt by administrative offset (i.e., the withholding of money payable by the United States to, or held by the United States for, a person to satisfy the debt the person owes the Government), which includes, but is not limited to, referral to the Internal Revenue Service for offset against income tax refunds, 40 C.F.R. Part 13, Subparts C and H; and
 - (e) suspend or revoke Respondents' licenses or other privileges; or suspend or disqualify Respondents from doing business with the EPA or engaging in programs the EPA sponsors or funds, 40 C.F.R. § 13.17; and
 - (f) pursue any other remedy available under domestic or international law.
38. Penalties paid pursuant to this Consent Agreement are not deductible for federal tax purposes. 26 U.S.C. § 162(f).
39. This Consent Agreement and attached Final Order apply to and are binding upon the Complainant and the Respondents. Successors and assigns of Respondents are also bound if they are owned, in whole or in part, directly or indirectly, or otherwise controlled by Respondents. Nothing in the previous sentence adversely affects any right of the EPA

under applicable law to assert successor or assignee liability against Respondents' successor or assignee.

40. Nothing in this Consent Agreement shall relieve Respondents of the duty to comply with all applicable provisions of the APPS or other federal, state, or local laws or statutes, nor shall it restrict the EPA's authority to seek compliance with any applicable laws or regulations, nor shall it be construed to be a ruling on, or determination of, any issue related to any federal, state, or local permit.
41. The EPA reserves the right to revoke this Consent Agreement and accompanying settlement penalty if and to the extent the EPA finds, after signing this Consent Agreement, that any information provided by Respondents was or is materially false or inaccurate, and the EPA reserves the right to pursue, assess and enforce legal and equitable remedies for the Alleged Violations of Law. The EPA shall give Respondents written notice of such termination, which will be effective upon mailing.
42. The Parties agree to submit this Consent Agreement to the EAB with a request that it be incorporated into a Final Order.
43. Respondents and Complainant agree to issuance of the attached Final Order. Upon filing, the EPA will transmit a copy of the filed Consent Agreement to the Respondents.
