

Leading-Edge Stormwater Financing  
Webinar Series:

# SUCCESS WITH STORMWATER FEES

**SEPTEMBER 12 at 2:00-3:30 ET**

You are invited to attend a webinar co-hosted by EPA's Water Infrastructure and Resiliency Finance Center and the Water Environment Federation. This webinar will provide specific successful and leading-edge examples of how communities have supported their stormwater programs using stormwater fees.

Hear about successes, challenges, and lessons learned from stormwater fees from speakers in Philadelphia, Santa Monica, and Abilene Texas. Come with questions and hear discussion about this innovative series of stormwater financing practices.
