

# TSCA Fees

Office of Pollution Prevention & Toxics  
U.S. Environmental Protection Agency  
October 10, 2018

# TSCA Fees Webinar Agenda

- Introduction
- Fee Overview
- Fee Application System Overview for TSCA Payments
- Questions and Answer

Note: Questions will be electronically captured and responded to during the Q&A section at the end of this webinar!!

# Purpose

- Collect fees to defray 25% of the Agency's costs to administer:
  - Section 4 - Testing / Development of Information on Chemicals
  - Section 5 - New Chemicals Program
  - Section 6 - Existing Chemicals Program, and
  - Collecting, processing, reviewing, providing access to, and protecting information about chemical substances from disclosure as appropriate under TSCA section 14
- Provide a sustainable source of funding
- Fees incurred beginning 10/1/18

# Costs

- Approach
  - Reasonable
    - Past and current experience
    - Benchmarking (Pesticides Program)
    - Adjustments for requirements under amended TSCA
    - Uncertainty
  - Direct and indirect costs
  - OGC and ORD support included
  - Total estimated annual EPA costs roughly \$80m

# Fees

- 25% of costs = ~\$20M per year
- Fee-able events
  - New chemical submissions/notices
  - Scope of risk evaluation
  - Section 4 orders/rules/agreements

## Section 4 Fees

- Three fee amounts for manufacturers (including importers) and processors of chemicals subject to a
  - 1) Test Rule
  - 2) Enforceable Consent Agreement
  - 3) Test order
- Fees only for processors if testing required as a result of a notice that was submitted under section 5

# Section 4 Fees

<b>Fee Category</b>	<b>Final Fee</b>	<b>Small Business Fee</b>
Test order	\$9,800	\$1,950
Test rule	\$29,500	\$5,900
Enforceable Consent Agreement (ECA)	\$22,800	\$4,600

## Section 5 Fees

- Two fee amounts for manufacturers (including importers) and processors that 1) submit Pre-manufacture (PMN), Microbial Commercial Activity (MCAN) or Significant New Use (SNUN) Notices, and 2) submit an exemption request
- Fees in place since 1988 go to US Treasury, are not available to offset EPA costs and are capped at \$100 for small businesses, \$2500 for regular businesses and \$1000 for intermediate chemicals.
- This final rule updates these fee amounts and amended TSCA allows these fees to be utilized directly by EPA to offset some of EPA's costs to review and make determinations on these submissions

# Section 5 Fees

<b>Fee Category</b>	<b>Final Fee</b>	<b>Small Business Fee</b>
PMN and consolidated PMN	\$16,000	\$2,800
SNUN		
MCAN and consolidated MCAN		
LoREX	\$4,700	\$940
LVE		
TME		
Tier II exemption		
TERA		
Film Articles		

## Section 6 Fees

- Three fee amounts for Manufacturers (including importers) of chemicals
  - 1) Of chemicals subject to an EPA-initiated risk evaluation
  - 2) Or that have made a request for EPA to undertake a risk evaluation for
    - a) A chemical on the TSCA Work Plan
    - b) A chemical not on the TSCA Work Plan

## Section 6 Fees

Fee Category	Final Fee	Small Business Fee
EPA-initiated risk evaluation	\$1,350,000	\$270,000
Manufacturer-requested risk evaluation on a chemical included in the Work Plan	50% of total actual costs with a \$1,250,000 initial payment	
Manufacturer-requested risk evaluation on a chemical <b><u>not</u></b> included in the Work Plan	100% of total actual costs with a \$2,500,000 initial payment	

# Reduced Fees for Small Businesses

- Previous Section 5 fees included a definition of “small business concern” with a revenue threshold of \$40m
- Under the fees rule, EPA finalized an employee-based size standard modeled after the Small Business Administration’s (SBA) standard and applied this standard afford discounts for all fee categories
- Small businesses are afforded an 80% discount for Section 4, Section 5 exemption submissions and EPA-initiated risk evaluations, and 82.5% discount for Section 5 PMN, MCAN and SNUN submissions

# Small Business Definition

- Employee-based size standard modeled after SBA's standards
- Number of employees (including all parent companies and affiliates) shall not exceed the size standard for the applicable industry
- Size thresholds are determined for 6-digit North American Industry Classification System (NAICS) codes
- Table in final rule covers the NAICS codes and associated thresholds most likely to apply to manufacturers and processors subject to TSCA fees
- For those NAICS codes not represented in the table, the manufacturer or processor must have 500 or fewer employees to be considered a small business under TSCA for the purposes of fee collection
- Employees of “parent” (controlling) and “child” (subsidiary) companies are considered in the employee count

# Environmental Protection Agency

The background of the slide features a scenic view of a river flowing through a dense, green forest. Overlaid on this image is a network of blue and green nodes connected by thin lines, suggesting a data exchange or monitoring system. In the top right corner, there is a logo for 'CDX' in blue, with a green arrow pointing to the right and a blue arrow pointing downwards from the 'X'.

Small Business Concern Definition - Internet Explorer provided by CGI

US EPA <https://devngn.epacdxnode.net/cdx-oppt-epmn/action/userFeeSupplementalInfo>

### SMALL BUSINESS CONCERN DEFINITION

*40 CFR 700.43*

*Small business concern* means a manufacturer or processor who meets the size standards identified in the table below. The number of employees indicates the maximum allowed for a manufacturer or processor to be considered small. If the North American Industry Classification System (NAICS) code of a manufacturer or processor is not represented in the table below, it will be considered small if it has 500 or fewer employees. When calculating the number of employees, a manufacturer or processor must include the employees of all companies they "own or control," as defined by 40 CFR 704.3. The number of employees are calculated as the average number of people employed for each pay period of the business' latest 12 calendar months, regardless of hours worked or temporary status.

Potentially Affected NAICS	NAICS Description	Small Business Concern Size Standards (# of employees)
324110	Petroleum Refineries	1500 or fewer
325110	Petrochemical Manufacturing	1000 or fewer
325120	Industrial Gas Manufacturing	1000 or fewer
325130	Synthetic Dye and Pigment Manufacturing	1000 or fewer
325180	Other Basic Inorganic Chemical Manufacturing	1000 or fewer
325193	Ethyl Alcohol Manufacturing	1000 or fewer
325194	Cyclic Crude, Intermediate, and Gum and Wood Chemical Manufacturing	1250 or fewer
325199	All Other Basic Organic Chemical Manufacturing	1250 or fewer
325211	Plastics Material and Resin	1250 or fewer

## MAKE A PAYMENT

If this is pending a joint and/or LOS submission(s), and you are paying the entire fee, click on the Make a Payment button. If you are paying a portion of the fee, please enter an amount greater than 0 and less than or equal to the total payment amount in the field below and click the Make a Payment button. The remaining fee amount will be required by the joint submitter(s). If you are not paying any of the fee, check the 'Proceed without paying' checkbox to continue without paying. An email will be sent to notify the identified secondary submitter(s) if there is a remaining balance.

Total Due: \$4700.00

### Document Upload

Please upload all necessary information for EPA to conduct the risk evaluation.

\* Condition of Use  CBI

Upload a document identifying the conditions of use for which the risk evaluation is requested including a rationale for their consideration.

\* Hazard Studies / Information  CBI

Each risk evaluation request must include a list of all the existing information that is relevant to whether the chemical substance, under the conditions of use identified by the manufacturer, presents an unreasonable risk of injury to health or the environment. The request does not need to include copies of the information; citations are sufficient, if the information is publicly available. The request must include or reference all available information on health and environmental hazard(s) of the chemical substance, human and environmental exposure(s), and exposed population(s), as relevant to the conditions of use identified in the request. At a minimum this information must include: hazard and exposure potential, persistence and bioaccumulation, potentially exposed or susceptible subpopulations the requester believes to be relevant, whether there is any storage of the chemical substance near significant sources of drinking water (this could include a storage facility), production volume or significant changes to production volume, and any other information relevant to the potential risks of the chemical substance.

As required by 40 CFR 700.45, fees are applicable to any person who manufactures (including imports) a chemical substance that is the subject of a risk evaluation under TSCA section 6(b).

### Fees Certification

Select the following Fees Certification statement that applies. This selection cannot be modified after initial submission.

- My company is a "small business concern" as defined under 40 CFR 700.43.
- My company is not a "small business concern" as defined under 40 CFR 700.43.

\*The criteria for a "small business concern" has been changed in the final fees rule. [View the updated definition of a small business concern.](#)  
 A PDF version of the final fees rule is available at [https://www.epa.gov/sites/production/files/2018-09/documents/2018-09-27\\_prepubcopy\\_tasca-fees-finalrule.pdf](https://www.epa.gov/sites/production/files/2018-09/documents/2018-09-27_prepubcopy_tasca-fees-finalrule.pdf).

### Fee Invoice

Doe, Jane  
TEST ORGANIZATION LLC  
1025 LEESBURG PIKE  
FALLS CHURCH, VA  
22033, US

Subject: Fee Invoice Notice

Dear Submitter,

As required by 40 CFR 700.45, your organization is subject to a fee in the amount of \$1,000,000.00 for the manufacture (including import) of a chemical substance that is the subject of a risk evaluation under TSCA section 6(b). Payment in full is due by October 04, 2018.

You may make a payment by clicking the Pay Your Invoice Now button on the Copy of Record screen within the TSCA Risk Evaluation application. To access the Copy of Record screen, click the payment communication icon associated with your submission within the TSCA Risk Evaluation application in CDX.
