This notice is being given to inform the public that EPA has prepared draft NPDES permits for these facilities. These draft permits contain effluent limitations, standards, prohibitions and other conditions necessary to carry out the provisions of the Act. If, after the conclusion of the proceeding summarized below, the Regional Administrator of Region 2 of EPA makes a final decision to issue the permits, the applicants will be required to comply with all the conditions in those permits.

The draft permits prepared by EPA are based on the respective administrative records. Among other documents, the administrative record required by 40 CFR 124.9, consists of the application, draft NPDES permit, and statement of basis or fact sheet describing the basis for the conditions in the draft permit. All data submitted by the applicant is available as part of the administrative record.

A copy of the administrative records are on file at the EPA Region 2 Caribbean Environmental Protection Division office in City View Plaza II, Suite 7000, #48 RD. 165 Km, 1.2 Guaynabo, Puerto Rico 00968-8069 and may be inspected and photocopied at a cost of \$0.15 per page at any time between 8:30 A.M. and 4:00 P.M., Monday through Friday. A copy of the draft permits and fact sheets may be obtained by writing to the above address or by calling (787) 977-5870. The draft permit and fact sheet are also available on the EPA website at the following web address: <http://www.epa.gov/region02/water/permits.html>.

Interested persons may submit written comments on the draft permits (with the exception of those with NPDES number **PR0000418**), to the Director, Caribbean Environmental Protection Division, at the above address. Interested persons may submit written comments on the draft permit with NPDES number PR0025984 to the Chief, Clean Water Regulatory Branch, USEPA Region 2, 290 Broadway, 24<sup>th</sup> Floor, New York, NY 10007. All comments must be submitted by no later than **30 days** from the date of this notice.

All persons may provide comments during the public comment period. If the EPA finds that

comments timely submitted appear to raise substantial new questions, EPA may reopen the public comment period for that permit.

Any interested persons may request a public hearing on these documents. Any request for a public hearing under 40 C.F.R. §124.11 on EPA's draft permits shall be in writing, state the nature of the issues proposed to be raised in the hearing, and be submitted to the Director, Caribbean Environmental Protection Division Office City View Plaza II, Suite 7000, #48 RD. 165 Km, 1.2 Guaynabo, Puerto Rico 00968-8069, by no later than 30 days from the date of this notice. EPA's decision on the question of whether to hold a public hearing on the draft NPDES permits, the administration of any hearing and the rights and obligations of participants are governed by regulations at 40 C.F.R. §124.12. If EPA holds a public hearing, the public comment period in this notice shall automatically be extended to the close of the public hearing.

If EPA does not hold a public hearing or reopen the comment period, EPA shall consider the issuance of a final permit to the applicant as soon as possible after the date indicated above for the submission of comments. All timely comments, submitted by interested persons in response to this notice, and statements and other evidence properly submitted at any public hearing held by EPA shall be considered in making the final decision with respect to these permit applications. All comments shall be answered as provided in 40 C.F.R. §124.17.

The applicant and any other person who submits timely written comments or requests notice of final permit decision shall receive notice of EPA's final decision. Within 30 days of service of such notice, any interested person who has submitted timely written comments may file a notice of appeal and petition for review to the Environmental Appeals Board to review any condition of the permit decision. Any person who failed to file comments or failed to participate in the public hearing on the draft permit may petition for review only to the extent of the changes from the draft to the final permit decision. Any such request must meet the requirements of 40 CFR §124.19.
