for

RFP EPA-R3-CBP-19-03 Chesapeake Center for Collaborative Computing (C4)

11/27/18

Q: Can an applicant alter the dollar ranges by reducing certain years to increase other years as long as the low and high totals of \$4.4M and \$5.6M remain unchanged?

A: Exceeding the funding ranges for the individual years will not make an applicant ineligible. Only exceeding the maximum funding amount will. Please refer to Section III of the announcement for additional details.
