Subject: Request for a meeting with Acting Administrator Wheeler

Madeline, the new President of BP America (Susan Dio) and the Chief Operating Officer of our US Fuels business (Doug Sparkman) request a meeting with the Acting Administrator. The purpose of the meeting is to get acquainted and to discuss the Renewable Fuels Standard. Both Susan and Doug are available on Monday, August 27th. They will be flying in that morning so an afternoon meeting would be ideal. They will be accompanied by Bob Stout, VP of Regulatory Advocacy & Policy. Is the Acting Administrator available to meet on August 27th? Thanks in advance.

Amy, John, and Amy:

On Thursday, October 19, the American Public Power Association's CEO Climate Change & Generation Policy Task Force will meet at APPA's offices in Arlington. We would like to invite Administrator Pruitt to meet with the task force that day to discuss the regulation of greenhouse gases from electric generating units. The meeting typically runs from 9:00-4:00 p.m. with CEOs flying in the night before and then leaving right after the meeting ends. We would love to have the Administrator attend the meeting at our offices in Crystal City for an hour (or whatever amount of time he has) to meet with our CEOs.

This is the meeting I referenced when we met in May. If you need more details on the task force, please let me know. Several of the members of the task force were in attendance with Administrator Pruitt last Monday (June 19) at his CEO roundtable.

Thank you so much.

External Meeting Request Form for Administrator E. Scott Pruitt

U.S. Environmental Protection Agency

To request the Administrator to attend and/or speak at your event, please complete and submit the following form.

Today's Date: August 2, 2017 (original request was submitted via email on June 26, 2017)

Meeting Date: October 19, 2017

Meeting Time: We are flexible – the meeting starts at 9:00 a.m. and ends at 4:00. Ideally, we would prefer to have the Administrator at the meeting before 2:00 p.m. (some folks could leave a little early to catch flights back home).

Requested Location (if offsite, please list address, parking instructions, etc.): It would be at our offices, which are located in Crystal City – 2451 Crystal Drive, Arlington, VA 22202 – suite 1000. Parking is available in the garage below the building.

Requestor: American Public Power Association (APPA)

Purpose of the Meeting: On October 19, APPA will be hosting a meeting for its CEO Climate Change & Generation Policy Task Force – a group of approximately 30 public power CEOs that own generation and have been very involved in formulating the Association's policy positions on climate change (legislative and regulatory). We would like the Administrator to brief our CEOs on EPA's efforts to repeal and replace the Clean Power Plan.

Background on the Meeting: Typically, the Task Force meets twice a year to hear from speakers on a host of climate and Clean Air Act-related issues and to provide APPA with feedback on comments to EPA or policy positions to take on these environmental issues. The group has previously met with EPA officials from the Obama Administration and would greatly like to meet with Administrator Pruitt to discuss these important environmental issues.

Role of the Administrator: To provide our CEOs with an update on EPA's agenda on climate (and any other related Clean Air Act matters) and answer questions raised by our CEOs. We would also invite the Administrator to view the meeting as an opportunity for him to ask questions of and seek feedback from our CEOs.

Attendees: APPA President & CEO Sue Kelly and other senior level APPA staff and CEOs from public power utilities and joint action agencies in states such as Oklahoma, South Carolina, Georgia,

Indiana, Louisiana, Florida, New York, Illinois, Colorado, Connecticut, Ohio, Nebraska, Missouri, Texas, Arizona, Washington, Minnesota, Iowa, South Dakota, and North Dakota. We do not have a final RSVP list, but could provide one closer to the event date.

I am forwarding the form to Neal Carlton, TXOGA's Director of Membership, and have cc'd Mari Ruckel, our VP for Government Affairs, and Kristen Fuchs. Neal will ensure the form is completed and returned today. We previously sent a letter with all the details and I suggest Neal attach with this document of yours.

TXOGA is the state's oldest and largest trade association representing every facet of oil and gas including upstream, midstream and downstream. All sectors would benefit greatly from Administrator Pruitt being able to attend and are hopeful it aligns with his schedule. Our nation's largest operators will be in attendance along with smaller regional and Texas companies. It is really a good mix and is an important gathering worthy of the Administrator's time.

We are needing to finalize our agenda for printing purposes. Do you think it possible we could get a decision this week?

This is the largest of our annual events and really the best one to attend. Should the Administrator need a different venue, we can certainly arrange one to fit his schedule and build attendance associated with it but this one is the most prominent.

Thanks for your consideration.

Jayme,

Thank you very much for the follow up. Yes, I did receive your email and I am so sorry to have not let you know. We've been on the road since I spoke to you but this is certainly something in which the Administrator would be interested in participating. I have copied his scheduler, Maddy Morris, on this email as she would be glad to work with you to determine the best fit.

You had mentioned that if we could not make October 20 work then there may be another opportunity to spend time with your folks. Could you kindly let us know what those opportunities might be?

Additionally, we always welcome suggestions with regards to our ongoing outreach to stakeholders and other groups. We are hopeful to spend some time in Texas in the near future.

Thank you,

Millan

Millan,

Thanks for visiting with me about the possibility of getting your boss to Houston for TXOGA's annual meeting! I've forwarded the email below with a link to TXOGA so you can see more of the details. I confirmed that there will be 250-300 at the luncheon, which is the keynote and preferred time slot for him to speak on October 20. Of course, they would happily rearrange the schedule to accommodate him, if another time that day is a better fit. Also, there is a dinner the night before that we could make work; however, that will be a smaller crowd. The attendees are high level oil/gas folks, including several CEOs and Texas elected officials. Past speakers have included both Presidents and Laura Bush, Rudy Giuliani, Alan Greenspan, to name a few.

Other speakers on this year's program are CEOs of Pioneer and Enterprise Products. Other companies in The Woodlands are Anadarko and Exxon Mobil and I wouldn't be surprised if those CEOs don't also show up, if Scott is on the agenda. I can also get you the heads of government affairs at any of the companies that could schedule private meetings with their CEOs, if he has a desire for any meetings of those kind. I used to work for Shell and I'm happy to facilitate a meeting there with CEO Bruce Culpepper, if he has any interest.

I've attached the original letter from TXOGA CEO Todd Staples, as well. Let me know if you have any questions, or feel free to get in touch with Todd directly. Thanks for your help and I hope to meet you sometime soon!

Hi Evan,

So glad we connected. Just wanted to send you a quick email to look at rescheduling the call between Mr. Cathy and Administrator Pruitt.

We might need to look a little further down the schedule, due to the holiday. But let me know what you think.

Looking forward to working with you!

Best,
Maddy

Hi Chris,

Mandy passed on your request to me. I worked with you over at Koch Industries, I just moved over here a few weeks ago. So sorry to just be circling back now. This weeks is going to be tight for a meeting. Do you mind filing out the attached form? I know it is a hassle, but we try and have everyone who is coming in fill it out.

Appreciate your help!

Best,
Maddy

Hi Madeline,

Great to hear from you and yes, you certainly will still see a lot of familiar names. No problem on the meeting! I will circle back with you the next time Gary is in town and hopefully we can make something work then.

Thanks,

Mike

Hi Mike,

Not sure if you have heard, but I moved over to be Administrator Pruitt's scheduler from Koch starting this week. It's nice that I will be able to work with some of the same people! On that note, I have some bad news, unfortunately Administrator Pruitt is no longer able to take this afternoon's meeting. Let me know if Mr. Heminger would like to meet with Senior Staff, or if we should just try and reschedule when he is back in town.

Sorry for the inconvenience and let me know how you would like to proceed.

Best,
Maddy

I hope this message finds you well! I wanted to reach out to request a meeting for my Fuels North America COO, Doug Sparkman, Administrator Pruitt to discuss the Renewable Fuel Standard and U.S. petroleum refining regulatory issues. Would the Administrator have any available time during the month of July for a meeting with Mr. Sparkman in Washington, DC?

Thank you in advance for your consideration. I look forward to hearing from you.

Hi Desmarie,

Thanks for reaching out to us. We are still currently working through the schedule. But this is something we are interested in getting the Administrator to in October. I don't see if we have a meeting request form on file. Do you mind filling one out? This way we have all the information we need to work through our scheduling process.

I apologies for the delay in getting connected with you! Please let me know if you have any questions!

Thanks so much.

Amy, John, and Amy:

On Thursday, October 19, the American Public Power Association's CEO Climate Change & Generation Policy Task Force will meet at APPA's offices in Arlington. We would like to invite Administrator Pruitt to meet with the task force that day to discuss the regulation of greenhouse gases from electric generating units. The meeting typically runs from 9:00-4:00 p.m. with CEOs flying in the night before and then leaving right after the meeting ends. We would love to have the Administrator attend the meeting at our offices in Crystal City for an hour (or whatever amount of time he has) to meet with our CEOs.

This is the meeting I referenced when we met in May. If you need more details on the task force, please let me know. Several of the members of the task force were in attendance with Administrator Pruitt last Monday (June 19) at his CEO roundtable.

Thank you so much.
