

## Details about LMOP Special Sessions on February 27, 2019

### Agenda Now Available for LMOP Special Sessions

**February 27, 2019**

The U.S. EPA Landfill Methane Outreach Program (LMOP) is providing additional information about the three [LMOP Special Sessions](#) we are hosting in conjunction with the Solid Waste Association of North America (SWANA) [42nd Annual Landfill Gas and Biogas Symposium](#) in **Boston, Massachusetts**.

SWANA's event lasts from February 25th through February 28th with the **LMOP Sessions taking place on Wednesday, February 27th**.

### Agenda

The agenda for the three LMOP Sessions is available on the [LMOP Special Sessions webpage](#).

### Registration

Online registration for the SWANA event is managed through [SWANA's website](#). All registered attendees of the SWANA event will receive LMOP Session tickets in their registration packet.

**There is no cost to attend the LMOP Sessions, but registration is required.** There is no option to register online for **only** the LMOP Sessions, rather please contact [lmop@epa.gov](mailto:lmop@epa.gov) if you wish to attend **only** the LMOP Sessions.

### Other Information

Please visit [SWANA's website](#) for questions about hotels or other information about the SWANA event. If you have **questions about the LMOP Sessions** other than wanting to register, please contact LMOP [through our website](#).

Sincerely,

The LMOP team

*To request removal from this email list, please reply to this message. For further information or questions about LMOP, please do not reply to this email message, but rather visit the [LMOP website](#). Thank you.*
