

LMOP Special Sessions

February 27, 2019

The U.S. EPA Landfill Methane Outreach Program (LMOP) is pleased to announce that we are collaborating with the Solid Waste Association of North America (SWANA) to organize three **LMOP Special Sessions** in conjunction with SWANA's upcoming [42nd Annual Landfill Gas and Biogas Symposium](#) in **Boston, Massachusetts**.

SWANA's event lasts from February 25th through February 28th with the **LMOP Sessions taking place on Wednesday, February 27th**.

There is no cost to attend the LMOP Sessions, but registration is required. Online registration for the LMOP Sessions is managed through the [SWANA website](#). Additional details about the event, including information about hotels, is available on the SWANA website.

More details about the LMOP Sessions will be available soon on the [LMOP website](#). If you have any **questions about the LMOP Sessions**, please contact LMOP [through our website](#).

Sincerely,

The LMOP team

To request removal from this email list, please reply to this message. For further information or questions about LMOP, please do not reply to this email message, but rather visit the [LMOP website](#). Thank you.
