**Summary:** This interim final rule facilitates a more expedited removal of defective Takata airbag inflators from vehicles by dealerships, salvage yards and other locations for safe and environmentally sound disposal by exempting the collection of airbag waste from hazardous waste requirements so long as certain conditions are met.

**State Authorization:** This rule is placed in RCRA Cluster XXVII.

**Attorney General (AG) Certification Guidance:** Specific AG certification of statutory authority may not be required for this checklist as long as the AG has previously demonstrated authority to regulate hazardous wastes.

**Program Description (PD) Guidance:** A State seeking authorization for this checklist should determine whether the revisions impact the program described in the Program Description.

**Incorporation by Reference Guidance:** None.
