

## LMOP's 2019 Special Session Presentations Now Online!

The U.S. Landfill Methane Outreach Program (LMOP) is pleased to announce that the **proceedings from the LMOP Special Sessions** are now available on the LMOP website. LMOP held three sessions on February 27, 2019, in Boston, Massachusetts featuring eight presentations.

The sessions included a panel on renewable natural gas (RNG), updates about LMOP and program tools, a biogas-to-hydrogen initiative, sustainable materials management and the impacts of organic waste diversion on landfill gas generation.

The proceedings are available at <https://www.epa.gov/lmop/lmop-special-sessions-2019>.

Sincerely,

The LMOP team
