RE: Maine 2019 Annual Air Monitoring Network Plan

Dear Ms. Hunter

Attached please find for your approval the Maine 2019 Annual Air Monitoring Network Plan. The Maine Department of Environmental Protection, Bureau of Air Quality Control submits this plan in fulfillment of the requirements set forth in 40 Code of Federal Regulations Parts 53 and 58, as amended by Revisions to Ambient Air Monitoring Regulations (71 FR 61236; October 2006 and 81 FR 30224; May 16, 2016).

A draft plan was submitted to EPA Region One staff on June 6, 2018 and posted to the Maine DEP website on that same date for a 30-day public comment period. This final document incorporates comments received from EPA, DEP and Bureau staff. We received no comments from the public. We look forward to working with you and your staff in the year ahead as we strive to accomplish the goals set forth in this plan. If you have any questions concerning this network plan, please contact Andy Johnson of my staff at (207) 287-7047 or at Andy.Johnsonr@Maine.Gov.

Sincerely,

Marc A.R. Cone, P.E., Director
