SUPPLEMENTARY INFORMATION:

I. Background

On August 8, 2019, the agency signed a proposed rule providing updates and clarifications to the substantive and procedural requirements for water quality certification under Clean Water Act section 401 and consistent with Executive Order 13868, signed on April 10, 2019, entitled "Promoting Energy Infrastructure and Economic Growth." The agency is holding a public hearing in Salt Lake City, Utah on September 5 and 6, 2019, to provide interested parties the opportunity to present data, views, or information concerning the proposed rule. The agency has submitted the proposed rule to the Office of the Federal Register, and it will be published separately in the **Federal Register**. The comment period on the proposed action will end 60 days after the notice of proposed rulemaking publishes in the **Federal Register**. The pre-publication version of the proposed rule can be found at <https://www.epa.gov/cwa-401> and will be replaced with the official version of the notice after it publishes.

II. Public Participation

A. Participation in Public Hearing

The public is invited to speak during the public hearing on September 5 and 6, 2019. The agency will begin pre-registering speakers for the hearing upon signature of this document. Those interested in speaking at the hearing can sign up for a three-minute speaking slot within an identified 45-minute timeframe. To register to speak at the hearing, please use the online

registration form available at <https://www.epa.gov/cwa-401/outreach-and-engagement-cwa-section-401-certification>. The last day to pre-register to speak at the hearing will be August 30, 2019. On September 4, 2019, the agency will post a general agenda for the hearing that will list pre-registered speakers in approximate order at: <https://www.epa.gov/cwa-401/outreach-and-engagement-cwa-section-401-certification>.

The agency will make every effort to follow the schedule as closely as possible on the day of the hearing; however, please plan for the hearings to run either ahead of schedule or behind schedule. Additionally, requests to speak will be taken the day of the hearing at the hearing registration desk. The agency will make every effort to accommodate all speakers who arrive and register, although preferences on speaking times may not be available.

Each commenter will have three minutes to provide oral testimony. The agency encourages commenters to provide the agency with a copy of their oral testimony electronically (via email) or in hard copy form.

The agency may ask clarifying questions during the oral presentations but will not respond to the presentations at that time. Written statements and supporting information submitted during the comment period will be considered with the same weight as oral comments and supporting information presented at the public hearing. Written comments must be received by the last day of the comment period, as specified in the notice of proposed rulemaking. Verbatim transcripts of the hearing and written statements will be included in the docket for the rulemaking.

Please note that any updates made to any aspect of the hearing will be posted online at <https://www.epa.gov/cwa-401/outreach-and-engagement-cwa-section-401-certification>. While the agency expects the hearing to go forward as set forth above, please monitor our website for
