

U.S. Environmental Protection Agency (EPA)
Children’s Health Protection Advisory Committee (CHPAC)
September 5-6, 2019

The George Washington University Milken Institute School of Public Health
950 New Hampshire Ave, NW Washington, DC 20052
Call-In Number: 202-991-0477 • Code: 9394482#

AGENDA

Meeting Objectives

- Review, discuss and modify the CHPAC letter re: Recommendations for Improving Children’s Environmental Health Messaging and [Risk Communication](#) at EPA.
- Receive status updates on federal and [EPA’s implementation](#) of the [Federal Action Plan to Reduce Childhood Lead Exposure](#).
- Hear from [Region 6](#) about regional children’s environmental health work.
- Learn about EPA’s approach, under amended [Toxic Substances Control Act \(TSCA\)](#), for identifying and considering “potentially exposed and susceptible populations” in the risk evaluation process as outlined in EPA’s Risk Evaluation Rule and the exposure and hazard criteria for identifying the next 20 high priority chemicals.
- Gain an understanding of [EPA’s Office of Research and Development’s children’s environmental health research portfolio](#).
- Receive an update on [Office of Children’s Health Protection](#) (OCHP) activities.

Thursday, September 5, 2019
