4. Description of Duties:

The duties of the GAC are solely to provide advice to EPA. The GAC will provide advice, information and recommendations on specific governmental issues. The GAC will evaluate a broad range of environment-related strategic, scientific, technological, regulatory and economic issues to be addressed in implementation and elaboration of the NAAEC.

5. Agency or Official to Whom the Committee Reports:

The GAC will provide advice and recommendations and report to the Environmental Protection Agency (EPA) Administrator, who serves as the United States Representative to the Council of the CEC under the authority of Executive Order 12915.

The estimated annual operating cost of GAC is \$166,000, which includes 0.7 staff years of support.

8. Designated Federal Officer:

A full-time or permanent part-time employee of EPA will be appointed as the Designated Federal Officer (DFO). The DFO or a designee will be present at all meetings of the advisory committee and subcommittees. Each meeting will be conducted in accordance with an agenda approved in advance by the DFO. The DFO is authorized to adjourn any meeting when he or she determines it is in the public interest to do so, and will chair meetings when directed to do so by the official to whom the committee reports.

If needed, members may be appointed to serve as Regular Government Employees (RGEs) or Special Government Employees (SGEs). Representative members are selected to represent the points of view held by organizations, associations, or classes of individuals. In selecting members, EPA will consider candidates from State, local and tribal governments with the points of view needed to address North American environmental issues within the scope of the NAAEC.

13. Subcommittees:

EPA, or the GAC with EPA approval, may form GAC subcommittees or workgroups for any purpose consistent with this charter.
