

## EPA's Community-Scale Air Toxics Monitoring Grants: Information Sessions February 19 and February 20, 2020

The Environmental Protection Agency (EPA) will hold informational webinars Wednesday, February 19, 2020 and Thursday, February 20, 2020, to share information about the 2020 Community-Scale Air Toxics Monitoring Grants competition. The webinars will provide background on the purpose of the grants, who can apply, the grant selection process and the application process.

The webinars will be held using Skype for both audio and visuals; however, participants also may listen by phone. Instructions for joining are below. EPA will cover the same information on each webinar. Please join the webinar that is most convenient for you.

For more information on the grants, visit: <https://www.epa.gov/amtic/community-scale-air-toxics-ambient-monitoring-csatam>. Webinar slides will be posted on this site following the information sessions.

See below for webinar details.

---

### Dates and times:

- February 19, 2020 at 4 p.m. Eastern Standard Time
- February 20, 2020 at 11 a.m. Eastern Standard Time

### How to participate

The webinar will be held using Skype for both audio and visuals. Instructions for joining are below. *Please note that Skype has a limit of 250 attendees.* The Skype link and phone number are the same for both webinars. Click on the "Join Skype Meeting link" to join from your computer.
