Partnership Grants

Per FIFRA Section 33(c)(3)(B)(ii), PRIA 3 provides for a \$500,000 set-aside for partnership grants for each fiscal year from FY'13 through FY'17. This set-aside provision was extended through fiscal year 2018 by continuing resolution and the FY'18 omnibus spending bill. \$500,000 of PRIA funds was allocated to support the National Pesticide Information Center in FY'18 to provide objective, science-based information about pesticides to the public. [Table 2](#) in Appendix A summarizes this program's accomplishments initiated under PRIA 3.
