

ODS REPORTING

Registering with CDX

January 2020

I. INTRODUCTION

This document provides information for reporting entities on how to register with the Central Data Exchange (CDX) for the purposes of submitting data to the Environmental Protection Agency (EPA) on ozone depleting substances (ODS), as required by 40 CFR Part 82. All individuals that report ODS data electronically on behalf of a reporting entity must register with the ODS Program within CDX. For information on how to complete an ODS report, see EPA's document on *Preparing Data for Submission*. For information on how to submit an ODS report using CDX, see EPA's document on *Submitting Data to EPA*. The remainder of this document is organized as follows:

- **Section II:** Register with CDX (First-Time Users)
- **Section III:** Add ODS to your Program Services (Existing Users)
- **Section IV:** Register Under a New Organization (Existing Users)
- **Appendix A:** Provide EPA with your Organization ID
- **Appendix B:** Update your Account Information
- **Appendix C:** Deactivating Accounts

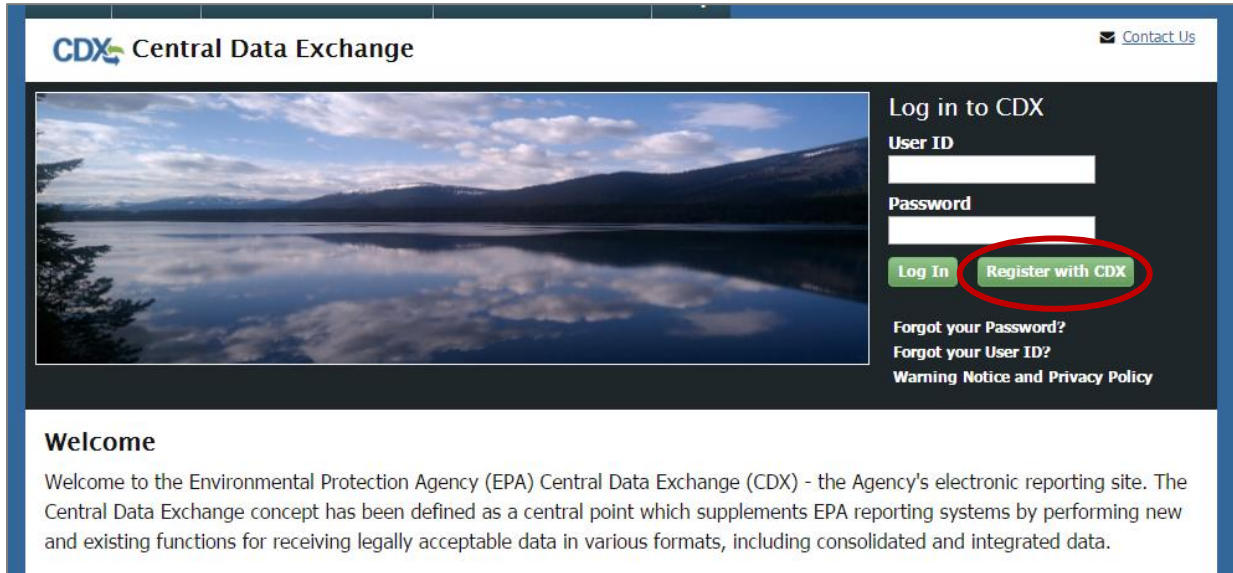

Questions?

For questions about ODS reporting, contact Sean Duenser at **(202) 343-9157** or duenser.sean@epa.gov. For questions about CDX, contact the CDX Helpdesk at (888) 890-1995 or helpdesk@epacdx.net.

II. REGISTER WITH CDX (FIRST-TIME USERS)

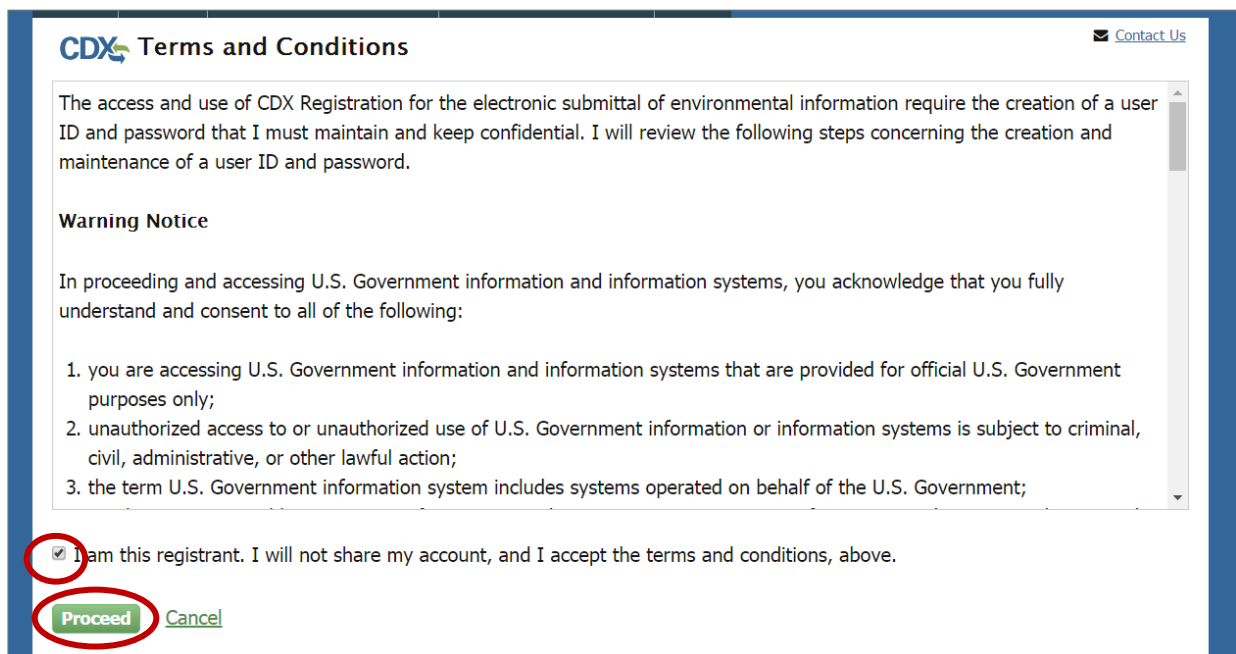

Step 1: Initiate the Registration Process

Visit <https://cdx.epa.gov/> and select "Register with CDX."

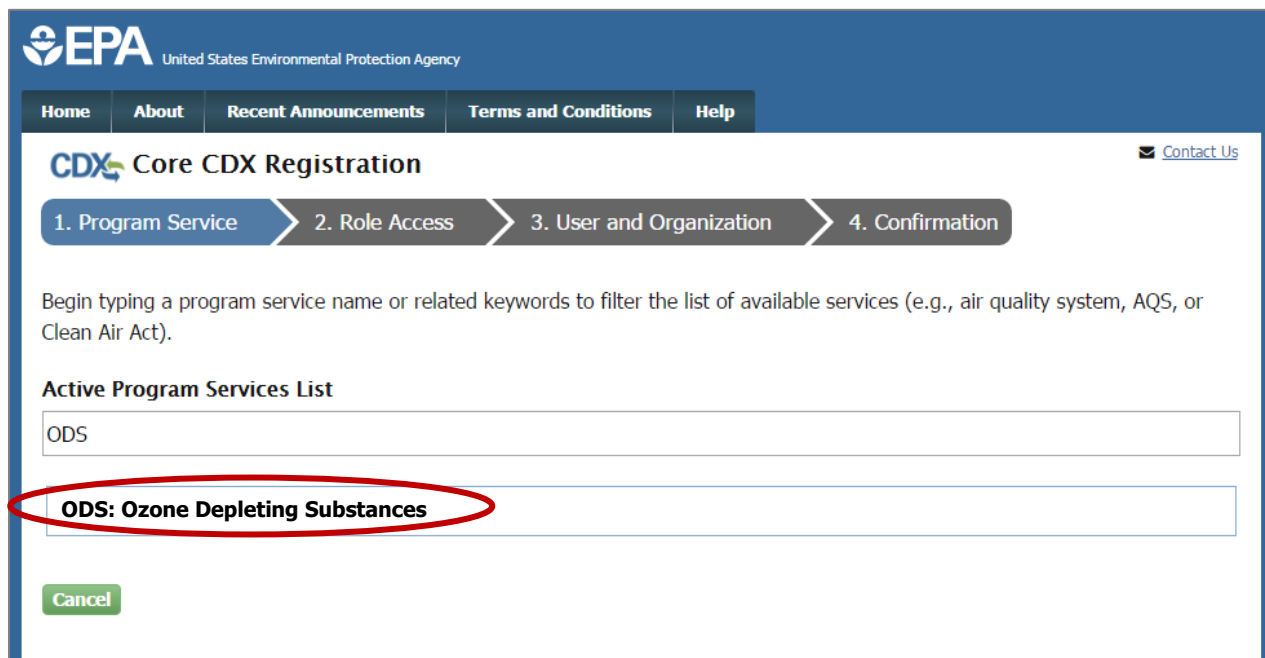

Step 2: Read and Accept the Terms and Conditions

After reading the Terms and Conditions, check the box and click "Proceed."

Step 3: Select “ODS: Ozone Depleting Substances” from the Program List

Locate and select “ODS: Ozone Depleting Substances” from the list of active program services by either scrolling down the list or entering “ODS” in the search criteria box.

The screenshot shows the EPA website's CDX Core CDX Registration interface. At the top, there is a navigation bar with links for Home, About, Recent Announcements, Terms and Conditions, and Help. Below this is a progress indicator with four steps: 1. Program Service (highlighted), 2. Role Access, 3. User and Organization, and 4. Confirmation. A search prompt asks the user to begin typing a program service name or related keywords. Below the search prompt is a text input field containing 'ODS'. A list of active program services is displayed below the search field, with 'ODS: Ozone Depleting Substances' highlighted in a red oval. A 'Cancel' button is located at the bottom left of the search results area.

Step 4: Enter User Information

- Create a unique User ID, which must be more than 7 characters long.
- Select a title and enter your first and last name. Middle initial and suffix are optional.
- Choose a password, which must contain at least one uppercase letter, one number, and be at least 8 characters long. The password must begin with a letter and may only contain letters and numbers.
- Select three security questions and provide an answer for each one.

Note: It is important that you remember your username, password, and the security question answers entered in Part 1: User Information; you will need this information to access your CDX account and submit reports to EPA.

The Importance of your Organization ID

CDX assigns each organization in its database with a unique 5-7 digit ID. The Organization ID you register with and submit data under in CDX is used by the ODS Tracking System to identify the reporting entity of each submission. Additionally, all users registered under the same Organization ID have access to the same Submission History table in CDX (as described in EPA's document on *Submitting ODS Data*). The use of a consistent Organization ID by all individuals that submit reports on behalf of your company is required by EPA. See *Appendix A* for the form that should be used to notify EPA of your company's Organization ID.

- ➔ If your organization appears in the search results, continue to Step 6a.
- ➔ If your organization is not already in CDX, skip to Step 6b.

Step 6a: Select Your Organization

If your organization appears in the search results, click on the link under 'Organization ID.'

Part 2: Organization Info

Enter organization or organization ID

Organization ID	Organization Name	Address	City	State	ZIP Code
26226	Test Company	100 Main St	Santa Fe	NM	20154

What if My Organization's Address is Different from my Address?

To ensure the accurate tracking of ODS data, EPA requires each reporting entity to use a consistent Organization ID in CDX. If your company has already begun using an Organization ID in CDX, but the address listed for that Organization ID is for a different facility/location than the address of the individual registering, you should still register under the established Organization ID. You will have the option to tailor the primary contact's address when you submit a report to EPA. If your company has not previously submitted ODS data to EPA under an existing Organization ID in CDX, you may add a new organization entry to CDX by following steps 6b-7b. See *Appendix A* for the form that should be used to notify EPA of your company's Organization ID.

Step 7a: Enter Organization Information

Enter your email, phone number, and fax number (if desired), and select "Submit Request for Access."

Step 9: Log in to CDX

Enter your CDX User ID and Password, as created under Step 4, and click "Log In to CDX."

Identity Proofing in CDX

As part of the CDX registration process, EPA requires proof of your identity. You may use an independent third party electronic identity proofing service (i.e., LexisNexis) or print and submit a signed electronic signature agreement (ESA) through U.S. Postal Mail to EPA. LexisNexis, which is only available to users located within the United States, allows users to immediately access the ODS data flow following authentication; users that submit a paper ESA are required to wait 7-10 days for EPA to receive their ESA and approve them for access.

- ➔ If you wish to verify your identity using LexisNexis, continue to Step 10.
- ➔ If you wish to submit a signed ESA through U.S. Postal Mail, skip to Step 11a.

Step 10: Verify your Identity using LexisNexis

Enter your address, date of birth, and last 4 digits of your Social Security Number (SSN).¹ Verify that the name above is you by checking the box and clicking “Proceed with Verification.”

Step 12: Final Registration Notification

Once EPA has received the signed ESA by mail, your account will be activated. Account activation is expected to take 7-10 days. You will be notified by email when your account has been activated.

The Environmental Protection Agency's Central Data Exchange (CDX) registration system has processed a change in registration status.

If you have questions concerning this change in registration status, you may contact us by email at helpdesk@epacdx.net or by calling the CDX Technical Support Staff through our toll free telephone support on 888-890-1995 between Monday through Friday from 8:00 am to 6:00 pm EST/EDT. For callers from Puerto Rico and Guam, the CDX Help Desk can also be reached at (970) 494-5500.

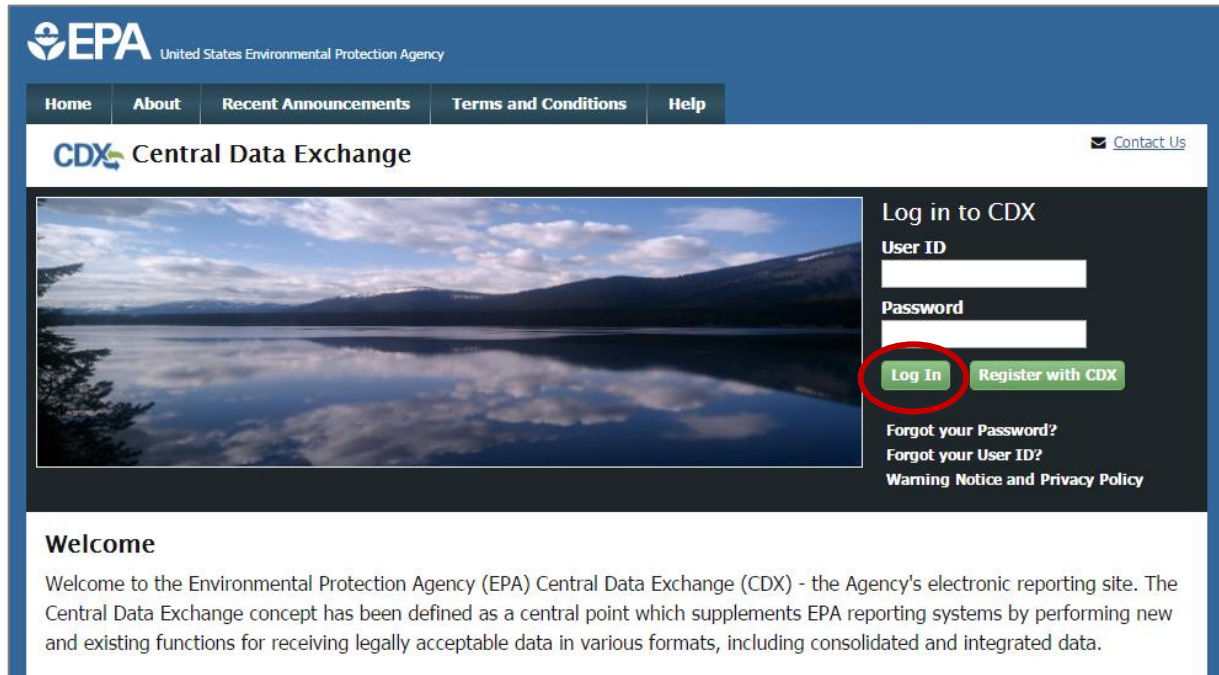

Congratulations!

You are now registered with CDX under the ODS Program.

III. ADD ODS TO YOUR PROGRAM SERVICES (EXISTING USERS)

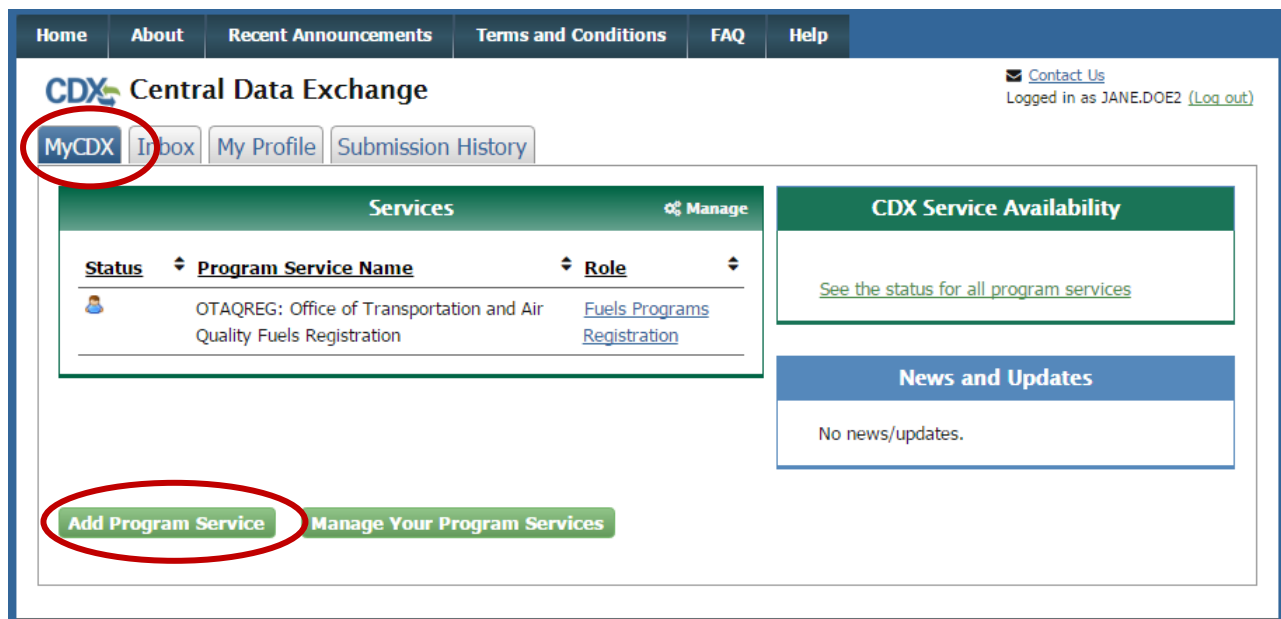

Step 1: Log into CDX

Visit <https://cdx.epa.gov/>, enter your account information, and select “Log In.”

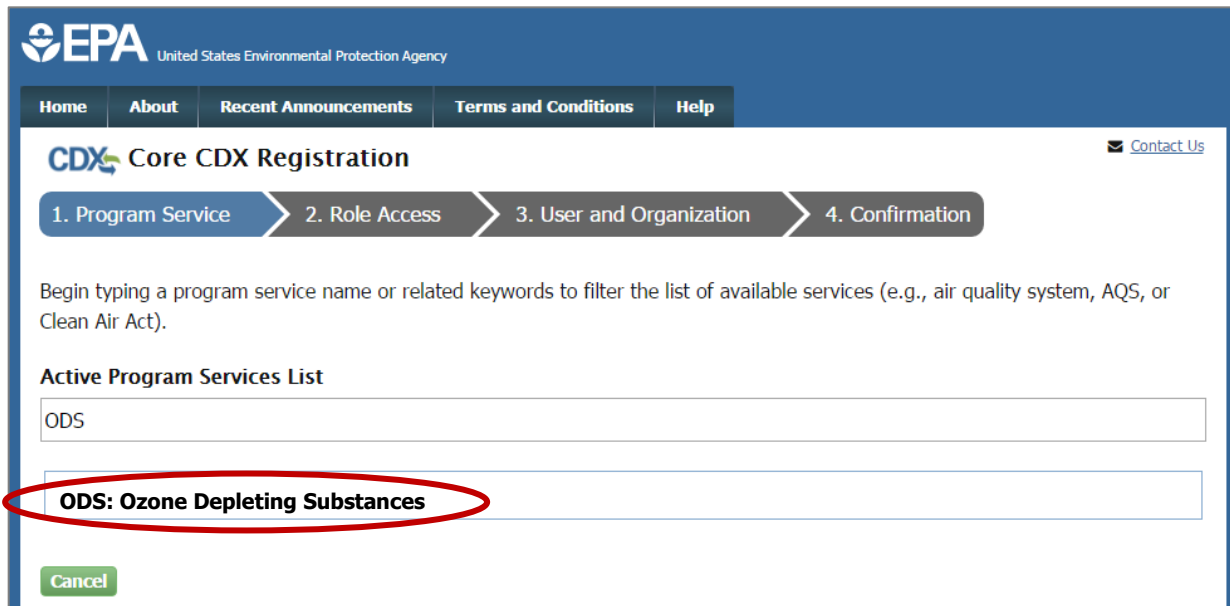

Step 2: Add Program Service

From the ‘MyCDX’ tab, select “Add Program Service.”

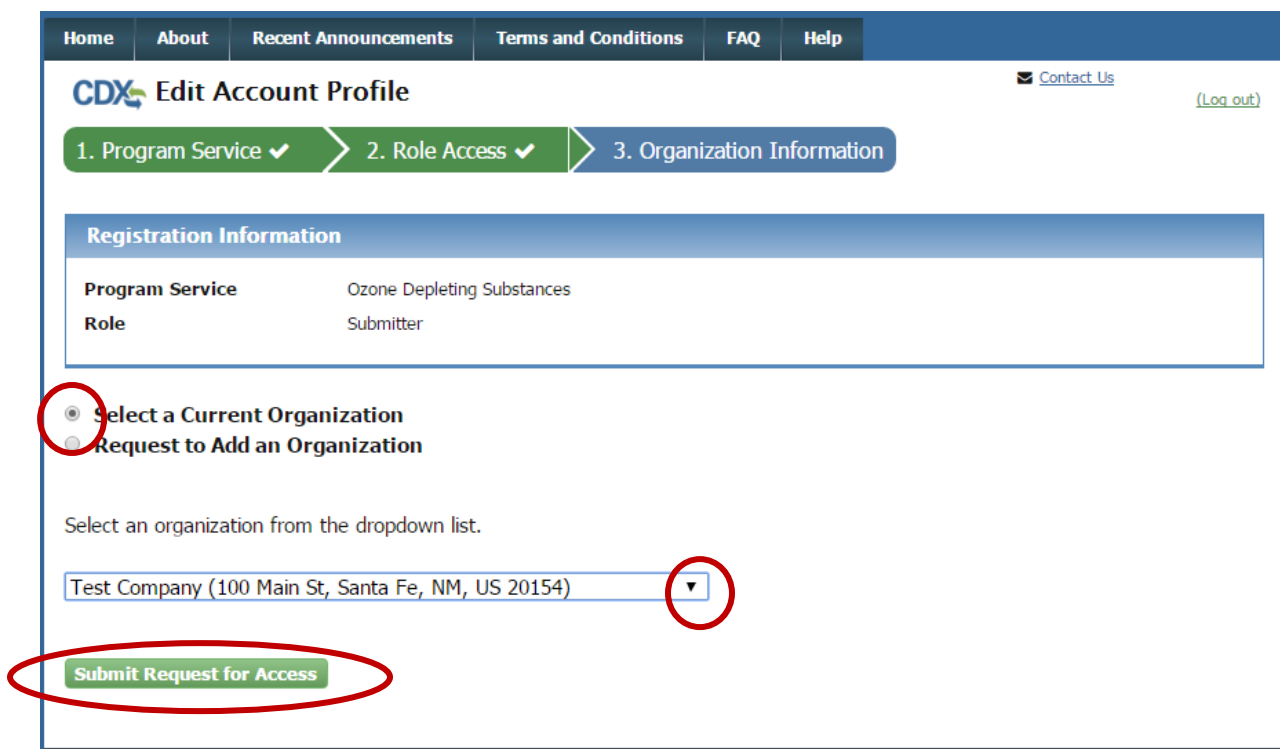

Step 3: Select “ODS: Ozone Depleting Substances” from the Program List

Locate and select “ODS: Ozone Depleting Substances” from the list of active program services by either scrolling down the list or entering “ODS” in the search criteria box.

Step 4: Select a Current Organization

Select a current organization from the dropdown list and select “Submit Request for Access.” If you want to register under a new organization, see Section IV.

Why don't I Need to Sign Another ESA?

The electronic signature agreement (ESA) is specific to the organization under which you register. Therefore, since you already submitted an ESA when registering for another CDX program, you are not required to sign and submit a new electronic signature agreement.

IV. REGISTER UNDER A NEW ORGANIZATION (EXISTING USERS)

When Should I Register under a New Organization?

The organization you register with and submit data under in CDX is used by the ODS Tracking System to identify the reporting entity of each submission. CDX assigns each organization in its database with a unique 5-7 digit ID. The use of a consistent Organization ID by all individuals that submit reports on behalf of your company is required by EPA. If your company has previously submitted ODS data to EPA through CDX under an Organization ID, you should only register and submit data under a new Organization ID in CDX if the name of your organization changes (e.g., due to a merger or acquisition). See *Appendix A* for more information on notifying EPA of your organization's name change.

Step 1: Log into CDX

Visit <https://cdx.epa.gov/>, enter your account information, and select "Log In."

The screenshot shows the EPA Central Data Exchange (CDX) website. At the top left is the EPA logo with the text "United States Environmental Protection Agency". Below this is a navigation menu with links for "Home", "About", "Recent Announcements", "Terms and Conditions", and "Help". To the right of the navigation menu is a "Contact Us" link. The main header area features the "CDX Central Data Exchange" logo. Below the header is a large image of a lake and mountains. To the right of the image is a "Log in to CDX" section with input fields for "User ID" and "Password". Below these fields are two buttons: "Log In" (circled in red) and "Register with CDX". Below the buttons are links for "Forgot your Password?", "Forgot your User ID?", and "Warning Notice and Privacy Policy". At the bottom of the page is a "Welcome" section with a paragraph of text.

Register Under a New Organization Name (Existing Users)

Step 2: Modify Program Services

From the 'MyCDX' tab, select "Add Program Service."

The screenshot shows the CDX Central Data Exchange user interface. At the top, there is a navigation bar with links for Home, About, Recent Announcements, Terms and Conditions, FAQ, and Help. Below this is the CDX logo and the text 'Central Data Exchange'. A 'MyCDX' tab is highlighted with a red circle. Other tabs include 'Inbox', 'My Profile', and 'Submission History'. The main content area features a 'Services' table with columns for Status, Program Service Name, and Role. The table lists 'ODS: Ozone Depleting Substances' with a role of 'Ozone Depleting Substances'. To the right of the table are sections for 'CDX Service Availability' and 'News and Updates'. At the bottom of the main content area, there are two buttons: 'Add Program Service' (highlighted with a red circle) and 'Manage Your Program Services'.

Step 3: Select "ODS: Ozone Depleting Substances" from the Program List

Locate and select "ODS: Ozone Depleting Substances" from the list of active program services by either scrolling down the list or entering "ODS" in the search criteria box.

The screenshot shows the EPA CDX 'Edit Account Profile' page. The EPA logo and 'United States Environmental Protection Agency' are at the top. A navigation bar includes Home, About, Recent Announcements, Terms and Conditions, FAQ, and Help. The page title is 'CDX Edit Account Profile'. Below the title is a progress indicator with three steps: '1. Program Service', '2. Role Access', and '3. Organization Information'. The first step is active. The main content area contains a search prompt: 'Begin typing a program service name or related keywords to filter the list of available services (e.g., air quality system, AQS, or Clean Air Act)'. Below this is a search box containing 'ODS'. Underneath the search box is a list of 'Active Program Services List' with one item: 'ODS: Ozone Depleting Substances', which is highlighted with a red circle. At the bottom left, there is a 'Cancel' button.

Register Under a New Organization Name (Existing Users)

Step 4: Select New Organization

Request to add a new organization by typing the name of your organization or the CDX Organization ID (if known) in the text box, clicking “Search,” and clicking on the link under ‘Organization ID.’ If your organization does not appear in the search results, skip to Step 6.

Step 8: Sign the Electronic Signature Agreement

Review and sign your CDX electronic signature agreement (ESA) by selecting “Sign Electronically.”

The screenshot shows a web interface for CDX Registration: Additional Verification. At the top, there is a navigation bar with links for Home, About, Recent Announcements, Terms and Conditions, FAQ, and Help. A 'Contact Us' link is also present. Below the navigation bar, a progress indicator shows three steps: 1. Identity Verification (checked), 2. Signature Question (checked), and 3. ESA (current step). The main heading is 'Electronic CDX Electronic Signature Agreement'. Below this, there is a paragraph explaining the ESA and a link to the CDX Help Desk. A warning statement follows: 'Signing an electronic document on behalf of another person is subject to criminal, civil, administrative, or other lawful action.' The central part of the page is titled 'U.S. Environmental Protection Agency ELECTRONIC SIGNATURE AGREEMENT'. Below this title, a paragraph states: 'In accepting the electronic signature credential issued by the U.S. Environmental Protection Agency (EPA) to sign electronic documents submitted to EPA's Central Data Exchange (CDX), and as a representative for:'. This is followed by a table titled 'Electronic Signature Holder Company Information' with the following details:

Registrant's Name:	Jane Doe
CDX User Name:	JANE.DOE

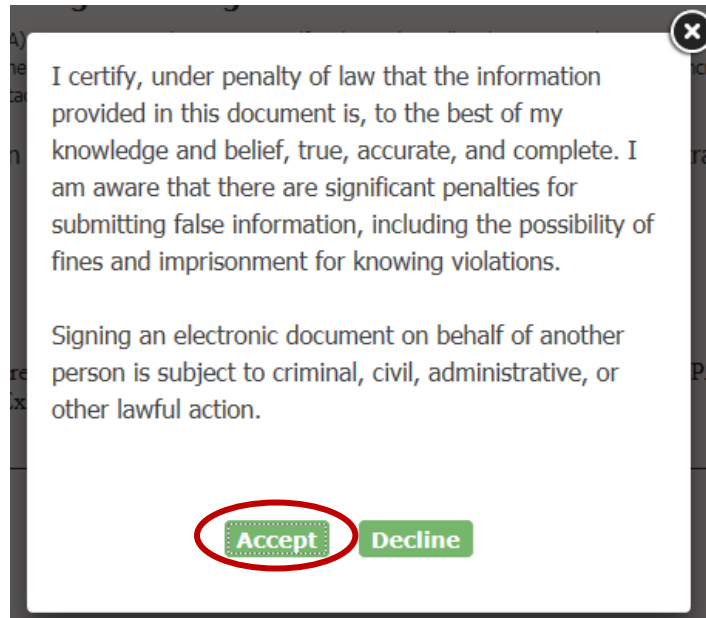

At the bottom of the page, there are two buttons: 'Sign Electronically' (highlighted with a red circle) and 'Cancel'.

Why do I Need to Sign Another ESA?

The electronic signature agreement (ESA) is specific to the organization under which you register. Therefore, when you register under a new organization in CDX, you are required to sign and submit a new electronic signature agreement. If you did not previously sign your ESA electronically, you may be required to provide additional verification information or, alternatively, will be required to submit a paper-copy ESA through U.S. Postal Mail.

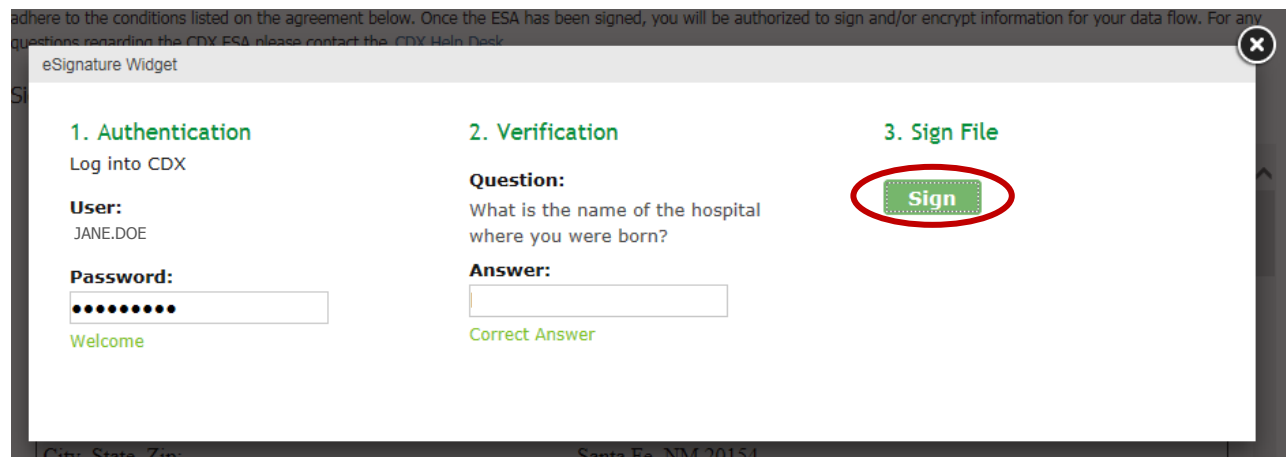

Step 9: Certify the Information Provided is Accurate

Certify that the information provided is correct by clicking “Accept.”

Step 10: Authenticate and Verify your Account Information

Enter your account password, the answer to the security question, and select “Sign.”

Congratulations!

You are now registered under a New Organization.

APPENDIX A. PROVIDE EPA WITH YOUR ORGANIZATION ID

The organization you register with and submit data under in CDX is used by the ODS Tracking System to identify the reporting entity of each submission. CDX assigns each organization in its database with a unique 5-7 digit ID. The use of a consistent Organization ID by all individuals that submit reports on behalf of your company is required by EPA. To ensure consistency, EPA requests that all organizations provide EPA with the Organization ID under which they plan to submit data. If your Organization ID changes (due to a change in your organization's name), EPA similarly requests that the organization notify EPA of this change before submission of data under the new Organization ID.

New CDX Users

For companies that have never before submitted ODS data to EPA through CDX, provide the following information to Sean Duenser (duenser.sean@epa.gov) and Emily Golla (golla.emily@epa.gov) following registration with the ODS Program in CDX:

Subject: New ODS CDX User

I recently registered under the ODS Program in CDX in anticipation of submitting data on behalf of [Company Name]. My CDX registration information is provided below.

- Organization Name: _____
- Organization ID: _____

Organization Name Changes

If your company's name changes, provide the following information to Sean Duenser (duenser.sean@epa.gov) and Emily Golla (golla.emily@epa.gov) following registration with the new Organization Name/ID in CDX:

Subject: ODS Submitter Name Change

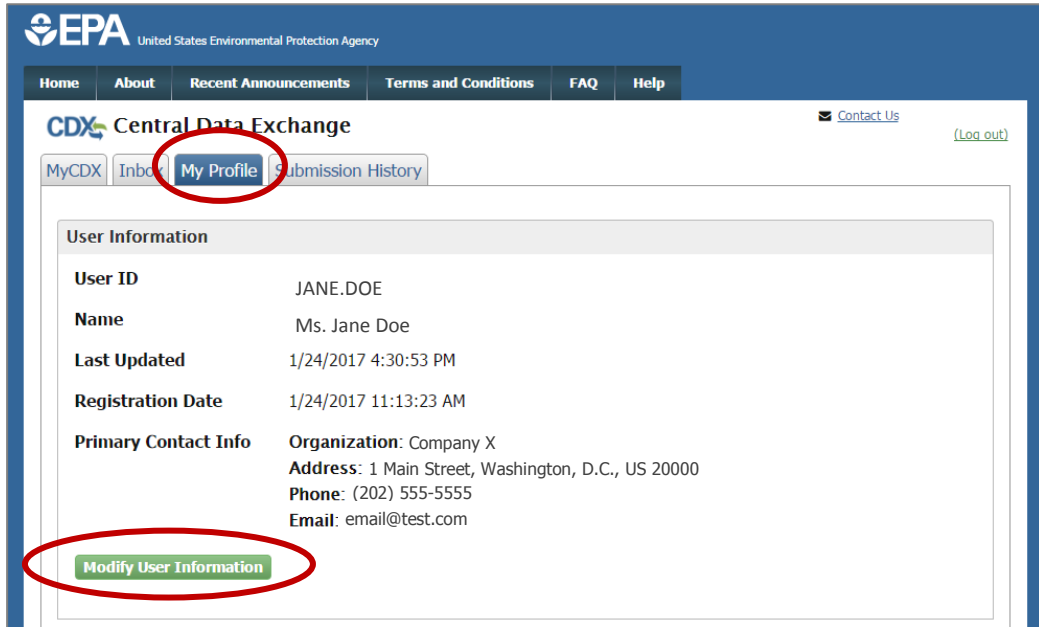

[Company Name] recently underwent a name change that required us to update the organization name/ID used for data submission in CDX. The old and new CDX organization information is provided below.

APPENDIX C. DEACTIVATING ACCOUNTS

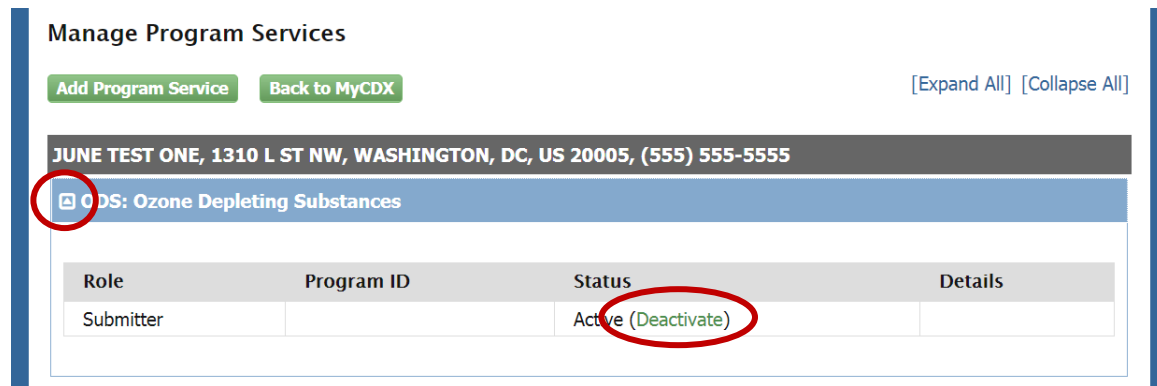

Since all users registered under the same Organization ID have access to the same Submission History table in CDX, it is important to deactivate accounts when individuals leave your organization to ensure they can no longer access your company's ODS submissions. The process for deactivating your own account or an account of a previous employee is described below.

Deactivate your own account
