Underground Injection Control (UIC) Program

Notice of Proposed Permit Reissuance for Windfall Oil & Gas

The U. S. Environmental Protection Agency, Region 3 (EPA) is reissuing a proposed permit under the authority of the federal Underground Injection Control (UIC) regulations at 40 Code of Federal Regulations (C.F.R.) Parts 124, 144, 146, and 147 to Windfall Oil & Gas.

Description: Windfall applied for the renewal of one (1) UIC Class II injection well permit, to be used for the disposal of produced fluids. The injection well is located in Brady Township, Clearfield County, Pennsylvania. The draft permit will allow Windfall to inject produced fluids into the Huntersville Chert/Oriskany formation at depths of approximately 7,300 feet. If the final permit is issued to Windfall, it will remain in effect for ten (10) years. A permit is required to meet the provisions of the EPA-administered UIC Program in Pennsylvania.

Tentative Public Hearing: EPA has tentatively scheduled a virtual public hearing on September 17, 2020. An in-person hearing will not take place. The call-in information for the teleconference is listed below:

Call-in Number: (866) 609-3139 6:00 PM – 8:00 PM Eastern Standard Time

There is no need to register in advance for the virtual hearing. You may call 15 minutes in advance of the start time or any time during the session to listen to the hearing. During the hearing, callers will receive instructions on how to join the queue to make a comment. The operator will call on people to deliver their oral comments. The virtual hearing is an audio-only teleconference. Participants who want to supply written or printed materials, should do so via email.

Requests to hold this public hearing must be received via email or telephone by EPA by September 10, 2020. When requesting a public hearing, please state the nature of the issues you propose to raise. EPA expressly reserves the right to cancel this hearing unless a significant degree of public interest is evidenced by September 10, 2020.
