PUBLIC NOTICE		
<p>The U.S. Environmental Protection Agency Region 8 (EPA) intends to issue an Underground Injection Control (UIC) permit-related action, under the authority of the Safe Drinking Water Act and UIC Program regulations, that would authorize The Lodge at Mount Rushmore to construct and operate one Class V shallow injection well to dispose of domestic sanitary waste fluids through a large capacity septic system. The EPA will be issuing a public notice of this proposed action and requesting comment on its website at www.epa.gov/uic/underground-injection-control-epa-region-8-co-mt-nd-sd-ut-and-wy, for a minimum of 30 days. Due to office closures related to the COVID-19 outbreak, at this time please do not submit comments via regular mail. Notification of any extension of the public comment period will appear at the web address only and will not appear in this newspaper. Alternatively, the public may contact Omar Sierra-Lopez by email at Sierra-Lopez.Omar@epa.gov or by phone at (800) 227-8917 extension 312-7045 or (303) 312-7045, to obtain information about the proposed action or to be added to the notification list for any extension of the public comment period and any final EPA decision.</p>
