ABOUT GROUNDWORK USA

Groundwork USA is the **only network** of local organizations devoted to **transforming the natural and built environment** of low-resource communities—**a national enterprise with local roots**, working at the intersection of the environment, equity, and civic engagement.

We are committed to pursuing a future in which everyone's neighborhood environment is **green, healthy and resilient** and to undoing legacies of poverty and racial discrimination.

ABOUT RIVER NETWORK

River Network is the **only national nonprofit** organization whose sole purpose is to **connect and strengthen** the nationwide network of over **6,500 local water protectors**.

We envision a future of clean and ample water **for people and nature**, where local caretakers are well-equipped, effective, and courageous champions for our rivers.

Meet our network and search the Water Protectors Map on our website **rivernetwork.org**.
