

EPA Celebrates America Recycles

2020 Virtual Events

Monday, November 16, 9:00 a.m. EST

EPA America Recycles Innovation Fair

Explore recent advances in recycling technologies, product development and materials usage at the two-day Innovation Fair. Engage with exhibitors focused on increasing recycling rates and enhancing recycling systems. [Register](#) online.

Tuesday, November 17, 1:00 p.m. to 5:00 p.m. EST

EPA America Recycles Summit

Gather with people and organizations interested in improving recycling practices across the country as EPA shares national recycling goals and information on its draft National Recycling Strategy. Participants will discuss advancements in public and private recycling systems. [Register](#) online.

Tuesday, December 1, 10:00 a.m. to noon EST

Hosted by EPA Region 4

Smart Sectors Program Roundtable Presentation and Dialogue

EPA will provide an overview of the draft National Recycling Strategy and host a dialogue to discuss questions. No registration required; join [here](#).

Tuesday, December 1, 2:00 p.m. to 3:30 p.m. EST

Hosted by Georgia Recycling Coalition and EPA Region 4

Organics Recycling Webinar

Georgia Recycling Coalition is partnering with EPA Region 4's Sustainable Materials Management program on an organics recycling webinar. With leaves falling and the holidays in full swing, it's a great time to take a look at materials that we can divert to higher beneficial use and hear from speakers across the Southeast and beyond.
