

US EPA data reflect that the following is a list of all community water systems (CWS), serving a population of 100,000 or more, required to certify completion of a risk and resilience assessment and an emergency response plan under Section 2013 of America's Water Infrastructure Act (AWIA). EPA uses the population served number that each CWS reported to its respective primacy agency for the Safe Drinking Water Information System (SDWIS) database as of the date of AWIA's enactment on October 23, 2018.

	PWSID	Community Water System	Town/City	State	ZIP Code
