

## Clean Water Act Section 401 EPA Contacts List

Last updated: 12/17/2020

### [Map of EPA Regions](#)

Please note the e-mail addresses for each regional contact may be slightly similar, so please pay close attention when using this contact list

This contact list is to be used for section 401 certification processes, including:

- General questions about the section 401 certification process
- Coordinating when EPA is the certifying authority
  - Pre-Filing Meeting Requests
  - Certification Requests
  - Public Notice Responses
- Obtaining technical assistance from EPA
- Notifying EPA pursuant to the 401(a)(2) neighboring jurisdiction provision
