

The Water Infrastructure Finance and Innovation Act (WIFIA) program accelerates investment in our nation's water infrastructure by providing long-term, low-cost supplemental loans for regionally and nationally significant projects.

## CITY OF ENGLEWOOD

**PROJECT NAME:** Englewood One Water Modernization Program

**LOCATION:** Englewood, CO

**INVITED WIFIA LOAN AMOUNT:** \$45 million

**POPULATION SERVED BY PROJECT:** 300,000

**PROJECT TYPE:** Combined

### PROJECT DESCRIPTION:

The One Water Modernization Program will modernize drinking water and wastewater treatment and conveyance processes, replace outdated electrical and control systems, expedite the replacement of lead pipes, modernize antiquated metering processes, establish a wastewater pilot and research center, initiate a water reuse project, and construct new operations complexes. The purpose of the projects is to enhance resiliency; ensure compliance with current and future regulations; and protect natural resources through conservation, reuse, and advanced treatment.

## FY 2020 SELECTION ROUND

**NUMBER OF PROJECTS SELECTED:** 55

**TOTAL LOAN AMOUNT:** \$5.1 billion

**TOTAL WATER INFRASTRUCTURE INVESTMENT SUPPORTED:** \$12.5 billion

**NUMBER OF PEOPLE IMPACTED:**  
25 million in 20 states

Selected projects must submit an application for a WIFIA loan, pass a creditworthiness assessment, negotiate a mutually agreeable term sheet, and execute a credit agreement to receive WIFIA funding. An invitation to apply indicates that EPA believes the selected projects will be able to attain WIFIA loans.
