Contaminated Structures

- Visited and conducted Outreach to all the Chapters in the Eastern Agency
- 17 Chapters that were priority
- Left flyers at each Chapter
- Made follow-up visits and phone calls to the Chapters
- Three visits were conducted at each Chapter
- Responsible for getting the “Consent for Access to Property” signatures
- Which included USEPA Access Screening forms that were referred by NNEPA

Contaminated Structures

- Worked closely with the Community Health Representative (CHR's) at each Chapter in the Eastern Agency
- Left we “Missed you Letters” signed, dated and a toll free number to call
- Gave 24 hr to 3 days notices to the homeowners before arrival
- Community members welcomed the Outreach team and NNEPA/USEPA site screeners
- Report given to the Eastern Agency Caucus to close out the chapters in Eastern Agency

Rural Address numbers

Notices for the caravans

Is the baby still crying (grandma comment).

Homeowners watching

Thank you.
