

APPENDIX C: ADDITIONAL FAQ

Announcement No: EPA-R9-AIR6-10-005

Indoor Environments: Reducing Public Exposure to Indoor Pollutants

Q: Can Physician Assistants or those in school to train for this position be reported in the category "Health Care Professionals Trained."

Answer: Yes. Like all persons reported under "Health Care Professionals Trained," they should be described according their professional category (i.e. nurses, physicians, pharmacy students, physician assistants, etc.).
