Subject: Final Environmental Impact Statement for the Big Grizzly Forest Health and
Fuels Reduction Project, Placer County, California (CEQ# 20100226)

Dear Mr. Villalvazo:

The Environmental Protection Agency (EPA) has reviewed the Final Environmental Impact Statement (FEIS) for the above-referenced project. Our review and comments are pursuant to the National Environmental Policy Act (NEPA), Council on Environmental Quality (CEQ) regulations (40 CFR Parts 1500-1508), and our NEPA review authority under Section 309 of the Clean Air Act.

EPA previously reviewed the Draft Environmental Impact Statement (DEIS) for the Big Grizzly Forest Health and Fuels Reduction Project and provided comments on March 18, 2010. We rated the DEIS as Environmental Concerns – EC-2, based on our concerns regarding the need for additional information about air quality emissions and climate change. We thank the Forest Service for addressing all of EPA's comments, including providing additional information regarding the project's general conformity requirements.

We appreciate the opportunity to review this FEIS. If you have any questions, please contact Stephanie Skophammer, the lead reviewer for this project, at (415) 972-3098 or skophammer.stephanie@epa.gov, or me at (415) 972-3521.

Sincerely,

/s/
